NOTICE.

THE PROPRIETORS OF THE EDINBURGH AND LEITH POST-OFFICE DIRECTORY have again the honour of submitting to the Public another Volume of the Publication, being the Fifty-sixth ; and they avail themselves of the opportunity to express their grateful thanks for the kind support and patronage which they have received, and trust that their exertions to make the Publication both correct and useful will be followed by a continuance of the favour of the Public. To the Map, which was issued for the first time last Year, has been added a Scale shewing the Number of Seconds the Report of the Time-gun takes to travel to any part of Edinburgh and Leith. In the Street Directory, a Number has been attached to the name of each street, &c., indicating the Registration District of Births, Deaths, and Marriages, to which it belongs ; by which, on turning to the List given at *127, the name and address of the Registrar can at once be ascertained. The List of Public Offices has been entirely remodelled and enlarged ; and the Bank Directory has been much enlarged and improved. An Engraving of the Proposed New Post-Office, by Messrs W. & A. K. Johnston, has been added.

It is hoped that these alterations will add to the usefulness of the Publication.

EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the Blank Space must be used for January and February in every Leap Year, and for the other months, use the Letters belonging to the respective Years.

By transposing the Dominical Letters, this Calendar would answer for any Century.

23 & 24 Vict. c. 111.

(INLAND BILL) DRAFT or ORDER, after 10th October 1853, for the payment of any sum of money to the bearer, or to order, on demand 1d.

And the following instruments shall be deemed and taken to be drafts or orders for the payment of money within the intent and meaning of this act, and of any act or acts relating to the stamp duties on bills of exchange, drafts, or orders, and shall be chargeable accordingly with the stamp duties imposed by this act, or any such act or acts, viz. :—

All documents or writings usually termed letters of credit, or whereby any person to whom any such document or writing is or is intended to be delivered or sent, shall be entitled or be intended to be entitled to have credit with, or in ac-

count with, or to draw upon any other person for, or to receive from such other person any sum of money therein mentioned.

Exemptions from the duties on Drafts or Orders.—All letters of credit, whether in sets or not, sent by persons in the United Kingdom, to persons abroad, authorising drafts on the United Kingdom.—16 & 17 Vict. c. 59.

DRAFT or ORDER after the 24th May 1858, for the payment of any sum of money to the bearer on demand, which being drawn upon any banker within fifteen miles of the place where such draft or order is issued, was formerly exempt from stamp duty.—21 Vict. c. 20..... 1d.

The following is from schedule of 23 Vict. c. 15, under **BILL of EXCHANGE, DRAFT, or ORDER** :—

“All Bills, Drafts, or Orders, for the payment by any banker or person acting as a banker, of any sum of money, though not made payable to the bearer or to order, and whether delivered to the payee or not; and all Writings or Documents, entitling or intended to entitle any person whatever to the payment from or by any banker, or person acting as a banker, of any sum of money, whether the person to whom payment is to be made, shall be named or designated therein or not, or whether the same shall be delivered to him or not, shall respectively be deemed to be bills, drafts, or orders for the payment of money chargeable with Stamp duty, as if the same had been made payable to bearer or to order. Provided always, that any one Document or Writing, although directing the payment of several sums of money to different persons, shall be chargeable with Stamp duty, as one order only.”

Draft or Order, Writing or Document, for the payment, or for entitling any person to the payment, by or through any banker, of any sum of money, sent or delivered to the banker and not to the person to whom payment is to be made, or any person on his behalf, to be held not to have been and not to be chargeable with any higher Stamp duty than *one penny*, although payable at any time after date. Duty may be denoted by adhesive stamp, to be cancelled as in the case of a draft on demand. 23 & 24 Vict. c. 111, § 17.

Exemptions.—Any draft, or order drawn by any banker upon any other banker, not payable to bearer or to order, and used solely for the purpose of settling or clearing any account between such bankers.

Any letter written by a banker to any other

banker, directing the payment of any sum of money, the same not being payable to bearer or to order, and such letter not being sent or delivered to the person to whom payment is to be made, or to any person on his behalf; and all warrants or orders for the payment of any annuity granted by the Commissioners for the Reduction of the National Debt, or for the payment of any dividend or interest on any share in the Government or Parliamentary stocks or funds; and all drafts or orders drawn by the Accountant-General of the Court of Chancery in England or Ireland, shall be exempt from all Stamp duty. 23 Vict. c. 15.

Note.—The Act, 17 & 18 Vict. c. 83, § 9,—referring to the English Act, 17 Geo. III. c. 30, and the Acts continuing the same, which make bills, &c., above 20s. and under £5, if not drawn in a particular way, invalid, and those below 20s., absolutely invalid, and not to the Scotch Act to the like effect, 8 & 9 Vict. c. 38, § 16 and 17,—provided that the said Act and the continuing Acts should be repealed, in so far as regards drafts on bankers for money held for the use of the drawer. And the Act 23 & 24 Vict. c. 111, § 19, now provides generally, without special reference to either the English or Scotch Acts, that draft on a banker who shall *bona fide* hold money to or for the use of the party, payable to bearer or order on demand, of any sum less than 20s. shall be lawful. Do both the above provisions apply to Scotland, or only the latter? The Act 8 & 9 Vict. c. 38, § 20, provides that that Act shall not prohibit draft on a person's own banker for the payment of money to the use of such person.

N.B.—The duty on drafts or orders may be impressed on the paper, or an adhesive stamp may be affixed.—16 & 17 Vict. c. 59, § 3. The adhesive stamp may be either a receipt or draft stamp.—17 & 18 Vict. c. 83, § 10. Where an adhesive stamp is used, the maker of the draft to cancel the stamp by writing on it his name or initials. Penalty for omission, &c., £10.—16 & 17 Vict. c. 59, § 4 and 5. The payer of the draft or order shall, when he pays it, write the word “paid” on the stamp. Penalty for omission, £20.—23 Vict. c. 15, § 12. Banker may affix stamp to an unstamped draft and cancel it, and pay the draft, charge the person who ought to have paid it with the stamp, or deduct it from the sum. Draft good, but not to relieve of penalty.—23 & 24 Vict. c. 111, § 18. Penalty for removing adhesive stamps or using them a second time, or doing

any act to defraud of duty, £20.—16 & 17 Vict. c. 59, § 4 and 5.

BILL of EXCHANGE, DRAFT, or ORDER, (Foreign,) on and after 3d April 1860, drawn or endorsed out of the United Kingdom for the payment of money on demand, 23 Vict. c. 15. The same duty as on an Inland Bill of Exchange, for the payment of money otherwise than on demand.

Note.—The word endorsed is held by the Board of Inland Revenue to have no practicable effect. See *Times*, 20th and 22d April 1860.

N.B.—The duties on Foreign Bills, drawn out of the United Kingdom, are to be denoted by adhesive stamps. The holder to affix the adhesive stamp if one not on it before he negotiate it, and cancel the stamp by writing his name or the name of his firm, and the date on it, 17 & 18 Vict. c. 83, § 3. The Act 23 Vict. c. 15, § 12, provides that the party paying the bill, shall, when he does so, write the word "paid" upon the stamp. The amount of duty on adhesive stamps is impressed on two parts. The Board of Inland Revenue recommend that the cancellation should be on one of the parts, and the other left legible.

If a Foreign Bill payable abroad, and as to which the provision "drawn in sets of three or more" apply, shall be drawn in a single bill, the duty will be the same as on an Inland Bill, and if in a set of two, the duty on each will be the same as on an Inland Bill. This is in accordance with the opinion of the Board of Inland Revenue, (see *North British Daily Mail*, 3d November 1854.) But the Board have given an opinion that a Foreign Bill drawn abroad and payable in this country in duplicate or triplicate only represents one transaction, and is liable to the duty on one Inland Bill of the same amount,—that is, if one of the parts have the full duty, the others may be unstamped, (see *Times*, 6th November 1854.) The schedule of the act does not provide for such a bill being drawn in sets. Bills bearing to be drawn out of the United Kingdom are to be deemed Foreign Bills so drawn, although they may in reality be drawn in the United Kingdom.—17 & 18 Vict. c. 83, § 4. A person in the United Kingdom drawing

and issuing a bill payable out of the United Kingdom in a set, must draw the whole set, and a person transferring or negotiating such bill must transfer and deliver, stamped, the whole number of the set. Penalty £100. A person taking such bill must get the whole set, stamped, otherwise he cannot recover on it or make it available—ib. § 6. MARRIAGE CONTRACT. The leading head under which marriage contracts are chargeable is "Settlement." By the statutory note under this head, it is provided that instruments, containing settlements of lands or other property, or *other matter or thing*, besides the settlement of money or stock, shall be chargeable with duty in respect of such, as if contained in a separate deed. A marriage contract may therefore be liable to a number of different duties. If definite and certain sums, and shares of stocks, are settled so as an interest to any extent shall be given, which shall certainly take effect, and not be altogether contingent, these are liable to the *ad valorem* Settlement Duty. If an annuity is provided to the widows or others, such is liable to Bond of Annuity Stamp Duty. Obligations to pay sums to widow, such as for mournings, are liable to *ad valorem* Bond Duty. All settlements of property, or other matters not liable to specific duty, will be covered by one general deed duty, over and above the other duties. An obligation by the husband, to pay sums to the trustees for the children, if any, would be liable to the Bond Duty, not Settlement Duty, being contingent.

And where the same respectively shall be made, as a security for the payment of a sum of money, and also for the transfer or retransfer of a share in any of the said stocks or funds, the said *ad valorem* duty shall be charged in respect of each.

And in case the same respectively shall be made, as a security for the payment or transfer, to different persons, of separate

and distinct sums or shares,—The *ad valorem* duty shall be charged for each separate and distinct sum or share therein specified and secured, and not upon the aggregate amount.

And where any such deed or instrument shall be made respectively as a security for the payment of *any annuity*, or any sum by way of repayment, or in satisfaction or discharge, or in redemption of any sum lent, advanced, or paid, as, or for, or in the nature of a loan intended to be repaid, discharged, or redeemed, in manner aforesaid,—The same duty as on a mortgage or wadset for the sum of money so lent, advanced, or paid.

TRANSFER, disposition, or assignation of any wadset, or other such security, &c.—

Where *no further sum* or stock shall be added to the principal already secured, if such principal shall not exceed in the whole £1400,—The same duty as on a wadset, &c., for the total amount or value of such principal.

If any further sum be added to the principal, the deed is chargeable only (*exclusive of progressive duty*) with the *ad valorem* duty on wadsets, &c., in respect of such further sum.

RECONVEYANCE, surrender, discharge, or renunciation of any wadset, or other such security, or of the benefit thereof, or of the money or stock secured—

Where the total amount of the principal shall not exceed £1400,—The same duty as on a wadset for the amount. And in any other case,—£1, 15s.

RECEIPTS for money amounting to £2 or upwards,—1d.

The following provisions as to what shall be deemed a receipt, and the exemptions from receipt duty by 55 Geo. III. c. 184, are still in force.

Any note, memorandum, or writing whatever, given upon the payment of money, whether signed or not, shall be a receipt if it shall import or signify that any sum

of money, debt, or demand, or any part thereof amounting to £2 or upwards, has been paid or settled; and like documents given upon payment by bills, drafts, promissory notes, or other securities for money, are also receipts.

According to decisions, a simple acknowledgment of a sum of money in loan, or of the correctness of a debt, or of a deposit of money, is not liable to stamp duty, either as a receipt or promissory note. The judges held it essential to render a receipt liable to duty that something formerly due had been discharged. On this principle a receipt for a sum of money as a donation to a religious or charitable purpose, not being anything formerly due, would not be liable. The Board of Inland Revenue have intimated that they are to regard such receipts as exempted.

Among the exemptions from receipt duty are—Receipts written on promissory notes, bills, drafts, or orders for the payment of money, duly stamped.

Receipts written on any bond, mortgage, or other security, or any conveyance, deed, or instrument whatever, duly stamped, acknowledging the receipt of the consideration money therein expressed, or the receipt of any principal money, interest, or annuity thereby secured.

The exemption of letters by the general post acknowledging the safe arrival of any bills of exchange, promissory notes, or other securities for money is repealed by 17 and 18 Vict., cap. 83, § 13.

Note.—Stamps may be impressed or affixed. Where adhesive stamps are affixed, the granter is required to cancel the stamps by writing his name or initials on them. Penalty for omission, £10. Penalty for removing adhesive stamps, or using them a second time, or doing any fraudulent act to defraud of duty,—£20. (16 and 17 Vict. c. 59, § 3, 4, and 5.)

RELINQUISHMENT of SUPERIORITY, Deed of, see DEED.

RESIGNATION.—Principal or original instrument of resignation, or service, or cognition of heirs, or charter, or sasine of any houses, lands, or other heritable subjects holding burgage; also instrument of resignation of lands, &c., not held burgage,—5s. Progressive duty,—5s.

See **CHARTER for WRIT of RESIGNATION.**

SASINE.—Instrument of sasine given on any charter, precept of *clare constat*, or precept from Chancery, or on any wadset, heritable bond, disposition, appraising, adjudication of any heritable subjects not of burgage tenure,—5s. Progressive duty,—5s.

Note.—An instrument of sasine proceeding on two precepts, even although in one disposition, is liable to two duties of 5s. The instrument in favour of an heir or disponee of a creditor in an heritable security—Form, No. 3, 8 and 9 Vict. c. 31, is usually put on the sasine stamp as also the Notarial Instrument, § 1.

The Notarial Instrument under the Title to Land Acts 21 and 22 Vict. c. 76, of which the effect upon registration is declared to be equivalent to infektment in the subjects will, it is thought, come under this *item*, if not under the *item* Notarial Act.

SCHEDULE or INVENTORY of heritage or moveables, or containing the terms of any proposed sale, lease, &c., or regulations for the cultivation and management of any farm, &c., separate from and referred to in lease, bond, deed, agreement, &c., chargeable with any stamp-duty not exceeding 10s.—the same duty as shall be chargeable on such lease, bond, agreement, &c.; and where referred to in such, chargeable with a duty exceeding 10s.,—10s. Progressive duty,—10s.

SCRIP CERTIFICATE, after 4th August 1853, that is to say, any document denoting or intended to denote the right or title of the holder thereof, or any person, to any share or shares in any joint-stock or other company, or proposed or intended company, or any certificate declaring or entitling the holder thereof, or any person, to be or become the proprietor of any share or shares of or in any such company, where such certificate, or the right or title to such share or shares shall be, or be intended to be, transferable by the delivery of such certificate, or otherwise than by deed or instrument in writing,—1d. (16 and 17 Vict. c. 63.)

SETTLEMENT.—Any deed or instrument, whether voluntary or gratuitous, or upon any consideration other than a *bona fide* pecuniary consideration, whereby any *definite and certain* principal sum or sums of money, or any *definite and certain* shares in any stocks or funds, shall be settled or agreed to be settled upon or for the benefit of any person or persons, either in possession or reversion, either absolutely, or for life or other partial interest, or in any other manner whatsoever,—if such sum or sums, or the value of such share or shares, together, shall not exceed in the whole £100,—5s.

And if the same shall exceed £100, then for every £100, and fractional part of £100,—5s.

All such deeds which contain any settlement of lands or other property, or any other thing besides the settlement of such money or stock, shall be chargeable

with such further duty as any separate deed containing such settlement of lands or other property, or other thing, would have been chargeable with, exclusive of the progressive duty.

And where there is more than one such deed chargeable with any such duty exceeding £1 15s., one of them only shall be charged with the *ad valorem* duty; and also where any settlement shall be made in pursuance of any previous articles chargeable with, and which shall have paid any such duty exceeding £1, 15s., it is not chargeable with the *ad valorem* duty; and the deeds not chargeable with the *ad valorem* duty shall be charged with the duty to which they are liable under any more general description in the stamp schedules; and on the whole being produced duly executed and stamped, the latter shall also be stamped with a particular stamp for denoting the payment of the said *ad valorem* duty.

INVENTORY DUTY.

I. PERSONAL ESTATE:—

Exhibition of the Inventory, and mode of paying the Duty.

All and every person or persons who, as executor or executors, or otherwise, shall enter upon the possession or management, in whole or in part, of any personal or moveable estate in Scotland of any deceased person, shall, within six months thereafter, exhibit upon oath in the Commissary Court an Inventory, duly stamped, of all the personal or moveable estate and effects of the deceased. The Inventory and testamentary writings left by the deceased, if any, shall be recorded in the Books of the said Court—48 Geo. III. c. 149, § 38.

Inventories and relative testamentary writings are to be given up and recorded in, and confirmations granted by, the Commissary Court of the county wherein the deceased died domiciled; and in the case of persons dying domiciled furth of Scotland, or without any fixed or known domicile, having personal property in Scotland, the Commissary Court of Edinburgh—21 and 22 Vict. c. 56, §§ 3 and 8.

Oaths and Affirmations to Inventories of personal estates, to be given up and recorded in any Commissary Court, may be taken either before the Commissary or his Depute, or the Commissary-Clerk or his Depute, or before any Commissioner appointed by the Commissary, or before any Magistrate or Justice of the

Peace within the United Kingdom or the Colonies, or any British Consul—21 and 22 Vict. c. 56, § 11.

If the deceased person died domiciled in Scotland, it shall be competent to include in the Inventory of the personal estate in *Scotland*, the personal estate in *England* and *Ireland*. The estate in *England* and *Ireland* shall be separately stated in the Inventory, and the Inventory shall be stamped with a duty corresponding to the entire value of the estate situated within the United Kingdom. If confirmation be required, the domicile must be proved, and the Commissary must find it to be in Scotland. A Confirmation, in which shall be included personal estate in *England* and *Ireland*, on being produced in the Principal Probate Court in *England*, and the Court of Probate in *Dublin*, and a copy thereof deposited with the Registrar, together with a copy of the Interlocutor of the Commissary finding that the deceased died domiciled in Scotland, is to be returned sealed, and is thereafter to have the same force and effect in *England* and *Ireland*, as if Probate or Letters of Administration had been granted by these Courts—21 and 22 Vict. c. 56, §§ 9, 12, and 13.

The provisions of the Act are merely permissive to pay Inventory Duty on the whole personal estate in Great Britain and *Ireland* where the deceased died domiciled in Scotland, and the like pro-

visions as to the payment of Probate and Administration Duty where the deceased died domiciled in England and Ireland. It is therefore still competent to pay Inventory Duty on the estate situated in Scotland, and Probate or Administration Duty in respect of the estate in England and Ireland. In the case of a person dying domiciled furth of the United Kingdom having personal estate situated in Scotland, this mode of paying the duty must be followed, as in that case there is no provision for payment of Stamp Duty, in respect of the personal estate in England or Ireland, on the Inventory, or obtaining confirmation in respect thereof.

Additional Inventory—Corrective Inventory.

If there be any omission in the Inventory inferring payment of further duty, an additional Inventory of such is required to be exhibited by 48 Geo. III. c. 149, § 38; and § 40 provides that the same shall also specify the amount or value of the estate and effects of the same person comprised in the former Inventory. By 16 and 17 Vict. c. 59, § 8, such additional Inventory shall be *chargeable only with such amount of Stamp Duty* as, together with the Stamp Duty charged upon the former duly stamped Inventory of the estate and effects of the same deceased person, *shall make up the full amount of Stamp Duty*, in respect of the total amount of all the estate and effects of the deceased specified in the said additional and any such former Inventory. If the estate shall be over-estimated, or if something shall be improperly included in the Inventory, an Inventory on a stamp corresponding to the ascertained value must be exhibited, and the original inventory will be allowed on affidavit as a spoiled stamp, within six months after the recording of the second Inventory.

Personal Property disposed of by Will under an absolute power liable to Inventory Duty—Indian Government Promissory Notes, &c., Personal Property in England—Property to be valued at the time the Inventory is sworn to, and the Inventory to include the proceeds accrued on the property down to that time.

Personal estate which a person, dying after 3d April 1860, shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or moveable estate of the person so dying, for the purpose of payment of Inven-

tory, Probate, or Administration Duty—23 Vict. c. 15, § 4. The duties shall be charged on the property in respect of which the same are payable, and shall be paid thereon by the trustees or owners thereof, to the executors, for the benefit of the persons entitled to the personal estate of the deceased—ib. § 5. Indian Government Promissory Notes and Certificates issued or Stock created in lieu thereof, being assets of a deceased person, the interest of which shall be payable in London, registered in London, or enfaced in India for the purpose of such registration, before the death of the owners; also Indian Government Promissory Notes with coupons attached, in the same circumstances as to registration, and Certificates issued, or Stock created in lieu thereof, shall be personal estate and *bona notabilia* in England of the deceased, 23 Vict. c. 5, § 1, and liable to Inventory, Probate, or Administration Duty. "The Inventory and additional Inventory of any person deceased, required to be exhibited and recorded in the proper Commissary Court in Scotland, shall be stamped with duty according to the value of the property contained therein at the time they shall be respectively sworn to, including the proceeds accrued thereon down to that time; and the duty, or deficient duty, according to such value and proceeds, and interest thereon at the rate of five per centum per annum, shall be a debt to Her Majesty by the person making oath to said Inventory and additional Inventory, and his heirs and successors; and if such Inventory and additional Inventory shall not be exhibited and recorded, the Inventory Duty on all the personal or moveable estate and effects of the deceased, and interest thereon at the rate of five per centum per annum from the expiry of the period of six months after the death of such deceased person, shall be payable and shall be a debt to Her Majesty by the person who shall intromit with or enter upon the possession and management of such personal or moveable estate and effects, or any part thereof, and his heirs and successors."—23 and 24 Vict. c. 80, § 5.

II. MONEY SECURED ON HERITAGE, &c.

The Act 23 Vict. c. 15, § 6, (3d April 1860), declared that money secured on heritable property in Scotland, and money secured by Scotch bonds in favour of heirs and assignees, excluding executors, should be chargeable with Inventory, Probate, or Administration Duty.

The Act 23 and 24 Vict. c. 80, was passed to regulate the levying and collection of the said duty. Section 1 gives a description of the property which shall be liable to Inventory Duty under the Act of 23 Vict. c. 15, and section 8 further explains what shall be subject to duty. Section 9 of the Act 23 and 24 Vict. c. 80, repeals the Act 23 Vict. c. 15, § 6, in so far as regards Probate and Administration Duty being chargeable in respect of the property, so that *now in all circumstances such property is liable to Inventory Duty*. Section 1 is in these terms:—

Description of property liable to Duty, and commencement of Duty.

“All money secured on heritable property in Scotland, and all money secured by Scottish bonds and other instruments, excluding executors, and all money secured by Scottish bonds and other instruments, the rights to which shall be taken excluding executors, constituting the succession, or part of the succession, of any person who shall have died on or after the 3d day of April in the year 1860, shall be liable to Inventory Duty under the said recited Act.”

There are two modes of paying the duty provided for—23 and 24 Vict. c. 80, §§ 3 and 4:—

Two modes of paying the Duty.

1. By a “Special Inventory” of the property, to be lodged with the Solicitor of Inland Revenue at Edinburgh, (a form of which, with relative oath, is given in the schedule to the Act,) stamped according to the amount of property contained in it. The Inventory Stamp shall be testate or intestate according as the Stamp on the Inventory of the personal estate shall denote the testate or intestate rate of duty.
2. By adding the amount of the property to the Inventory of the personal estate, and paying Stamp Duty upon the aggregate amount.

This second mode will generally be the most advantageous for the tax payer; and will be followed when the interest in the heritable and moveable estate is the same, or when the heir and executor can make an arrangement as to the payment of the duty. As to both modes of paying the duty, it is declared that the duty is ultimately to be borne by the parties proportionally according to their interests in the property.

Value to be at the date of the oath to the

Inventory, and Inventory to include proceeds to that time.

The 5th section of 23 and 24 Vict. c. 80, provides, that the Inventory Duty shall be payable on the property made liable by the Acts referred to, according to the value of such property at the time the Inventory containing it shall be sworn to, including the proceeds accrued thereon down to that time.

Act retrospective as to time of valuing Personal Estate.

It will be observed that the Inventory Duty on money secured on heritage, &c., is limited to such property constituting the succession of a person who shall have died on or after the 3d April 1860—23 and 24 Vict. c. 80, § 1; but the provision for valuing property at the date of the affidavit to the Inventory, and including the proceeds down to that time, is retrospective and universal in its operation, applying to all Inventories sworn to on or after the passing of the Act (6th August 1860) without regard to the date of death.

III. GENERAL OBSERVATIONS.

Modes in which Duty may be paid when deceased domiciled in Scotland, and personal property in Scotland, England, and Ireland, and money secured on Heritage.

In the case of a person dying domiciled in Scotland, having personal property in Scotland, England, and Ireland, and also money secured on heritage, &c.:—I. Duty in respect of the whole may be paid on the Inventory required to be recorded in the Commissary Court; II. Or Inventory Duty may be paid on the personal property situated in Scotland, and Duty may be paid on a “Special Inventory” of the money secured on the heritage, &c., and Probate or Administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these several instruments.

Mode in which Duty may be paid when deceased domiciled furth of the United Kingdom.

In the case of a person dying domiciled furth of the United Kingdom leaving personal estate in Scotland, England, and Ireland, an Inventory must be given up in Scotland, Probate or Administration taken out in England and Ireland, and duty paid on such in respect of the property in each country.

OPINION.

WE are of opinion that it is sufficient in the Inventory given up of the Estate of a
 person deceased for confirmation, to set forth the value of the Estate as at the date when
 the Inventory is given up, and that it is not also necessary to set forth the value as at the
 date of death. We further think, that the statutory form of confirmation contained in
 Schedule E of the Act 21 and 22 Vict. c. 56, must be modified, in order to be in accordance
 with the still more recent Statute, 23 and 24 Vict. c. 80, by leaving out the words "at the
 time of his death." The opinion of

RETURN OF INVENTORY DUTY.

The inventory duty and probate and administration duty are paid on the whole personal property, without deduction of debts; but the Act 5 and 6 Vict. c. 79, § 23, provides for a return being given on proof of the constitution and payment of the debts. This return must be claimed within three years; but the time will be prolonged on application to the Board of Inland Revenue. A return of the duty paid on heritable securities may also be made in certain circumstances. See 23 and 24 Vict. c. 80, § 4 and 6.

LEGACY-DUTY.

On Legacies, Residues, &c.

	Duty per ct.
To children or their descendants, or lineal ancestors,	£1 0
Brother or sister, or descendant,	3 0
Uncle or aunt, or their descendants,	5 0
Grand uncle or aunt, or their descendants,	6 0
All other relations or strangers,	10 0

The husband or wife of the deceased is not chargeable with duty. If the legatee's husband or wife is of nearer consanguinity than the legatee, duty is payable according to such nearer relationship. (16 and 17 Vict. c. 51, § 11.)

This duty is payable for every legacy out of the personal or moveable estate, or out of or charged upon the real or heritable estate of the deceased, or out of any moneys to arise by the sale, mortgage, or other disposition of the deceased's real or heritable estate, or any part thereof: Also for the clear residue (after deducting debts, funeral expenses, legacies, and other charges first payable thereout) of the personal or moveable estate, whether the title to such residue shall accrue by virtue of any testamentary disposition, or upon a partial or total intestacy: And also for the clear residue of the moneys to arise from the sale, mortgage, or other disposition of any real or heritable estate, directed to be sold, mortgaged, or otherwise disposed of by any will or testamentary instrument. (55 Geo. III. c. 184, sch. part III.)

Annuities commencing to be payable on the death of persons dying after 19th May 1853, are valued for legacy duty according to tables annexed to the Succession Duty Act, 16 and 17 Vict. c. 51; and Annuities commencing to be payable previous to that date, by the Tables annexed to the Legacy Duty Act 36 Geo. III. c. 52.

Duty is not exigible on legacies or residues under £20; but if a legatee take two or more legacies under any testament,

which shall together be of the amount of £20, each shall be charged with duty, though each or either may be separately under that amount.

N.B.—Printed forms and regulations regarding all the succession duties will be obtained gratis, on application at the Inland Revenue Office, Edinburgh; and at the offices of the distributors of stamps in the country.

SUCCESSION DUTY.—The duty commences on the death of persons dying after the 19th May 1853, and seems to be imposed on all property, both heritable and moveable, passing by death, not liable to the duty on legacies and successions to personal estate upon intestacy—the duty imposed by the Legacy Duty Acts. The duty on *heritable property* is charged on the annual value, after allowance of the necessary outgoings (§ 22), as an annuity for the life of the successor (§ 21,) which is to be valued by tables annexed to the act.

Personal Property is liable to duty according to the value of the succession; and money charged on heritage—heritable securities—is chargeable as personality (§ 1.)

Rates of Succession Duty.

Lineal issue, or lineal ancestor of the predecessor,—£1 per cent.

Brothers and sisters of the predecessor and their descendants,—£3 per cent.

Brothers and sisters of the father or mother of the predecessor and their descendants,—£5 per cent.

Brothers and sisters of the grandfather or grandmother of the predecessor and their descendants,—£6 per cent.

Any other person,—£10 per cent.

The husband or wife of the predecessor is not chargeable with duty (§ 18,) and if the successor's husband or wife shall be of nearer consanguinity than the successor, duty is payable according to such nearer relationship (§ 11.)

The following are also *exemptions* from the succession duty.

1. Successions from the same predecessor, passing on any death, not amounting in principal value to £100 (§ 18.)
2. Any succession of less value than £20 in the whole (ib.)
3. Legacies and personal property charged with legacy duty, in respect of the same acquisition (ib.)

Note.—The collection of the succession duty forms a branch of the business of the Legacy Duty Department of the Inland Revenue. Forms of the accounts may be obtained at the Legacy Duty Office, Edinburgh, and at the offices of the distributors of stamps in the country.

DISCOUNT ON THE PURCHASE OF STAMPS.

Parties who may purchase stamps (except receipt stamps, labels for medicines, newspapers, and postage stamps) at London, Edinburgh, or Dublin, under the value of £10 each, but to the value of £30 or upwards in the whole, are allowed discount at the rate of 30s. per cent.—12 and 13 Vict. c. 80: and any person who purchases at the stamp office of London, Edinburgh, or Dublin, stamps for receipts to the amount of £5 or upwards, or of any distributor or sub-distributor not within ten miles from said respective offices, to the amount of £1 or upwards, shall receive an allowance at the rate of £7, 10s. per cent.—no allowance for a fraction of a pound.—13 and 14 Vict. c. 97, § 18.

To persons who, after 31st December 1860, at one and the same time, shall produce at the office of Inland Revenue in *London* or *Dublin*, paper to be stamped with, or shall purchase at the said office in *Lon-*

don, *Edinburgh*, or *Dublin*, stamps to the amount of £2 or upwards, or of any distributor or sub-distributor of stamps at any place not within the distance of ten miles from the said offices respectively, stamps to the amount of £1 or upwards, denoting any rate of duty not exceeding 1s. on *Bills of Exchange*, *Drafts or Orders*, or *Promissory Notes*, or *Stamps*, for denoting the duty of one penny on any instrument or document whatever, (except postage stamps and customs stamps,) an allowance shall be made of tenpence for every 20s. of the amount of the duties denoted by such stamps.—23 and 24 Vict. c. 111, § 3. Any person selling such stamps shall not make any charge for the paper whereon the same are impressed. Penalty for doing so, or demanding or receiving a greater price or sum than the amount of the stamp-duty, £10.—*Ib.* § 25.

REGULATIONS AS TO EXCHANGING SPOILED STAMPS.

The Solicitor's Office, No. 5 in the Inland Revenue Office, is open for the allowance of spoiled stamps every Tuesday and Thursday, from 12 noon to 2 P.M. The distributors of stamps at the following places also receive spoiled stamps for allowance: Aberdeen, Ayr, Banff, Cupar-Fife, Dumfries, Dundee, Elgin, Forfar, Glasgow, Greenock, Inverness, Perth, and Wick.

A supply of forms of affidavits is kept by the solicitor and the above distributors, and claimants may attend at the Solicitor's Office, and have the affidavits filled up and taken; or they may get copies of the forms, and take the oath before a Justice of the Peace, and afterwards lodge the affidavits and the stamps with any of the above officers. If the claim be admitted, a ticket is issued, stating that application is to be made for the new stamps after Thursday se'ennight, and within six weeks from the date of the ticket. If not made within that time the claim will be forfeited.

The stamps, if belonging to parties resident in Edinburgh, or within ten miles thereof, must be presented for allowance within six months after being signed in the case of executed instruments, and six months after being spoiled in the case of unexecuted instruments. If beyond that distance, six months in the former, and twelve months in the latter case.

Bills and notes delivered to payees, or

negotiated or issued in any way, and bills accepted or tendered for acceptance, cannot be exchanged unless a new bill be produced, in all respects the same, excepting the correction of the error.

As to the exchange of sea policies of insurance, see 54 Geo. III. cap. 133.

Unsigned instruments are allowed if inadvertently spoiled. Signed, if void in law from the beginning; from error or mistake, unfit for the purpose originally intended; from death or refusal to sign, of any person whose signature is necessary; from the want of the signature of some material and necessary party; from refusal to act under, or from non-acceptance—they shall be unfit for or fail of the purpose intended; or if the transaction be carried through by another instrument duly stamped.—See 53 Geo. III. cap. 108. In the case of transfers of stock signed by the seller alone, and other instruments if by one party, new deeds require to be produced to the proper officer of stamps, who, as to transfers, is instructed to certify in what particulars they differ from those spoiled.

Stamps of a different description may be obtained for any stamp spoiled if it be of the value of £6 or upwards. Application for this purpose to the Commissioners of Inland Revenue should be lodged with the affidavit. The commissioners, by 3d and 4th Will. IV. cap. 97, § 19, may, if in their discretion they

think fit, refund, in money, the amount of spoiled stamps. They are also authorised to repay the amount of stamps for which the possessor has no im-

mediate use, if applied for within three months after being purchased. In both cases is deducted the per centage allowed by law on the purchase of stamps.

STAMPING DEEDS AFTER BEING SIGNED.

Beyond Twelve Months.—The duty or deficiency of duty, shall be due and payable to her Majesty, and also the penalty of £10. The deed will only be stamped on payment of the whole or (as the case may be) the deficiency of the stamp duty remaining payable on it, and over and above such duty, a penalty of £10; and if the whole amount of said duty or deficiency shall exceed £10, then, in addition to said duty and penalty, there shall be paid, by way of additional penalty, interest on the duty or deficiency at the rate of 5 per cent. from the date or first signing of the deed; but such interest shall not exceed the amount of the said duty or deficiency of duty.

Within Twelve Months.—If the deed shall be brought to the Commissioners of Inland Revenue within twelve months after the first signing or executing, in order to be stamped, it may be stamped without payment of the penalty, or on payment only of a portion thereof, provided it shall be proved to the satisfaction of the Commissioners that the deed was not duly stamped previously to being signed, by reason of accident, mistake, inadvertency, or urgent necessity, and without any wilful design to evade or delay the payment of duty.—13 and 14 Vict. c. 97, § 12.

Abroad.—If the deed shall be executed by any party abroad, it may be stamped without any penalty, if brought to be so within two calendar months from the time of being received in the kingdom, upon proof of the facts to the satisfaction of the Commissioners.—13 and 14 Vict. c. 97, § 13.

N.B.—Instruments are received at the Solicitor's Office, Inland Revenue, Waterloo Place, Edinburgh, to be stamped, if within two months of the first date (the solicitor may, in certain circumstances, receive them within two months of the last date), on payment of the duty: if beyond that date, on payment of the duty and penalty. Parties, on applying, will be furnished with a schedule, and after being filled up, it is to be presented, along with the instrument, at the Solicitor's Office, No. 5 Inland Revenue, between 10 and 12 o'clock, on Mondays and Wednesdays only. The amount of duty wished to be impressed on the instrument is to be inserted by the applicant before being presented at the Solicitor's Office; and afterwards he pays it, and the penalty, if any, to the cashier, No. 3, Lobby. As to stamping Agreements and Charter Parties, see Notes under these heads.

DOUBTS AS TO THE SUFFICIENCY OF STAMPS MAY BE REMOVED.

The opinion of the Commissioners of Inland Revenue as to the duty to which a deed, whether previously stamped or otherwise, is chargeable, may be obtained on the deed being presented at their office (Edinburgh) and a fee of 10s. paid. The duty or insufficient duty which the Commissioners may assess, and the penalty, if any, being paid, they shall stamp the deed with the duty so paid, and thereupon, and also in the case of the deed being previously sufficiently stamped, shall also impress the deed with a particular stamp to be provided for the purpose. The deed shall then be received in evidence notwithstanding any objection to it as insufficiently stamped. The provision does not apply to bonds or mortgages for unlimited amounts, nor instruments after being signed, prohibited from being stamped. The opinion of the Commissioners may be appealed

against to the Court of Exchequer at Westminster, on the Stamp duties assessed being paid, and 40s. for costs being deposited. (13 and 14 Vict. c. 97, § 14 and 15.) The Commissioners may also adjudge on deeds not liable to any stamp duty; and if any duty is assessed the party may appeal. (16 and 17 Vict. c. 59, § 13.)

N.B.—Instruments are received for adjudication at the Solicitor's Office, Inland Revenue, Edinburgh, on the same conditions as to duty and penalty as instruments to be stamped merely, (*see above*.) The mode of proceeding is as follows:—The sum of *ten shillings* for the adjudication stamp is first to be paid to the Cashier, No. 3, Lobby. Then the schedule, (the duty to be impressed of course not being inserted in the schedule,) the instrument after execution, and a full copy (written on foolscap paper) of it,

(omitting the bounding description of lands, &c., and having appended to it a table giving the substance of the clauses and provisions, particularly dates and sums, and a reference to the page of the copy on which each commences,) are to be left at the Solicitor's Office, No. 5, on Mondays and Wednesdays, between 10

and 12 o'clock *only*. Between 10 and 12 o'clock on the Thursday following, a party, who can give explanation, must call on the chief clerk of the Solicitor's Department, No. 6; and he should be prepared to pay the proper duty, and penalty, if any, to the Cashier, No. 3, Lobby.

DUPLICATES OR COUNTERPARTS.

Duplicates or counterparts of instruments requiring to be impressed with the denoting stamp to render them valid, may be lodged at the Solicitor's Office, No. 5, Inland Revenue, Edinburgh, between 10 and 12 o'clock on Mondays and Wednesdays only. A transmission of them is made once a-week to the Head-Office.

The principal instrument, as well as the duplicate, must be lodged, and both must appear to be properly stamped, otherwise they will not be transmitted.

Mem.—The revenue takes no risk of loss or injury connected with the custody or carriage of the instruments received and transmitted to be stamped.

1st, The distance to which any Hackney Carriage may be driven under these Bye-Laws, shall be seven miles from the Cross of Edinburgh.

2d, When a Party not exceeding two grown-up persons, and without any luggage other than a carpet bag or the like, enters a Carriage at a Stance, or when driving along disengaged, they shall be driven half a mile for 6d., and if they return they shall pay the same fare; the driver shall draw up to either side of the pavement when called, and if detained more than five minutes before starting he shall be entitled to sixpence for waiting.

N.B.—This rule shall not apply to Fares from Railway Stations.

FARES BY TIME.

It shall be in the option of the Hirer to employ a Carriage within the Municipal Bounds by time, for *bond fide* SHOPPING, MAKING CALLS, and the like, where the driving is not continuous. The charge in such cases shall be 1s. for the first half-hour, and 6d. for every additional quarter of an hour.

For an AIRING into the Country within seven miles from the Cross of Edinburgh, and returning either by the same or a different road, the rate shall be sixpence for every ten minutes, or 3s. per hour. A drive round the Queen's Drive, shall be considered an Airing. Unless the Hirer wishes a slower pace, the rate of driving when out an Airing shall be at least six miles an hour; and in the event of the driving being at a slower pace than six miles an hour, contrary to the wish of the Hirer, it shall be optional for the Hirer to pay the fare in the proportion of 3s. for every six miles so travelled.

From Twelve at night till Seven Morning, double Fare.

The above Fares are for One-Horse Carriages, and there shall be no additional charge when two horses are used.

Owners or Drivers may agree to drive at lower Fares than those fixed. In that case, should they demand more than the Fare agreed on, they shall be liable as for an overcharge.

NOTICE.

DIRECTIONS TO THE CITY PEDESTRIANS.

To avoid jostling in meeting upon the Foot-pavements, observe the general rule, "Keep to the Right," or, in other words, allow those that you meet to pass on your left. If this well-known rule were more generally acted upon, much inconvenience would, of course, be avoided in our crowded Thoroughfares.

GENERAL POST-OFFICE, EDINBURGH.

POSTMASTER-GENERAL FOR THE UNITED KINGDOM,
RIGHT HONOURABLE LORD STANLEY OF ALDERLEY.

I.—RATES OF POSTAGE.

Inland Letters.

The rate of postage on all inland letters is regulated by weight, irrespective of distance; and is as follows:—

If paid in advance.

Letter weighing not more than half-an-ounce	1d.
" " more than half-an-ounce but not exceeding one ounce	2d.
" " more than one ounce but not exceeding two ounces	4d.
" " more than two ounces but not exceeding three ounces	6d.
and so on; twopence being charged for every additional ounce.	

Unpaid Letters.

Except on re-directed letters, the postage, if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency must be charged. An inland letter, for example, weighing more than half an ounce, and not exceeding one ounce, if bearing a penny stamp only, must, on delivery, be charged twopence. The unpaid *additional* postage on re-directed letters, however, is not doubled, being the same as if such postage were prepaid. Unless three-quarters, at least, of the postage of a letter weighing more than 4 oz. be prepaid, the letter is not forwarded.

Colonial and Foreign Letters.

The rates of postage on letters to foreign countries and the colonies are entered in the Table of Foreign and Colonial Postage at page 471.

Addresses to the Queen and Petitions to Parliament.

Petitions and Addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the sides. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, is charged as an unpaid letter.

Newspapers and other periodical Publications bearing the Newspaper Stamp.

All periodical publications, including newspapers published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to newspapers), may be transmitted and re-transmitted through the post within the United Kingdom free from postage under the following regulations, viz.:—

1. They are subject to the same restrictions with regard to the number of sheets and super

official extent as were formerly applicable only to newspapers properly so called. These restrictions are shewn in the following Table:—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum Superficial Extent of Letterpress on One Side.
One Penny	Two	2295 inches.
Three Halfpence	Three	3443 „
Twopence	Four	4591 „

2. No publication, or portion thereof, can pass through the post, unless the impressed stamp which it bears be at least a stamp of the value of one penny.
3. The title and date of the publication must be printed at the top of every page.
4. The publication must be folded in such a manner, that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view, and be distinctly visible on the outside, except that where there are more than two publications in the same cover, it will be considered sufficient if the stamps are so arranged that they can readily be examined.
5. It must not be printed on pasteboard or cardboard, or on two or more thicknesses of paper pasted together; nor must any pasteboard, cardboard, or such pasted paper be sent with it as a back or cover thereto, or otherwise.
6. It must be posted within fifteen days from the date of publication.
7. It must either have no cover, or a cover open at the ends.
8. It must contain no enclosure.
9. It must have no writing or other mark thereon, but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and the printed name and address of the publisher or vendor who sends it. Thus, if a newspaper, after having the address of one person written on it, be sent to another person, the first address must be cut off, otherwise the paper will be charged as an unpaid letter.
10. If the publication be addressed to any person within the free delivery of the place where it is posted, it becomes liable to a postage of one penny, which must be prepaid by affixing a postage stamp.
11. When a newspaper, &c., is so folded as not to expose the stamp or stamps, a postage of one penny is charged in addition to any other postage to which the publication, if properly folded, would have been liable; and if the newspaper, &c., be addressed to any person within the free delivery of the place where it is posted, and do not bear a penny postage label, it will be charged twopence. In case of any other irregularity, the publication is dealt with in accordance with the regulations of the book post.
12. It is suggested that every publication should have a notice to purchasers conspicuously printed, pointing out the necessity of exposing the stamp or stamps to view whenever the publication is sent through the post.
13. Stamped publications which have been issued more than fifteen days, can be forwarded within the United Kingdom and to most of the colonies under the regulations of the book post.

Newspapers sent abroad must have been registered at the General Post-Office; and instead of requiring to have an impressed stamp, each newspaper, if sent to a British Colony, is liable to a postage of 1d. (which must be prepaid by a postage label), together with an additional postage (as shewn in the Table of Colonial and Foreign Postage) when the newspaper has to pass through a foreign country. In the same table will be found the postage of newspapers sent to foreign countries.

Parliamentary Proceedings.

Printed proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the following rates of postage:—

- | | |
|--|-----|
| Weighing not more than four ounces | 1d. |
| „ more than four ounces but not exceeding eight ounces | 2d. |
| „ more than eight ounces but not exceeding twelve ounces . . . | 3d. |
| „ more than twelve ounces but not exceeding sixteen ounces . . | 4d. |
- and so on; one penny being charged for every additional four ounces.

Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference is only charged. The words *PAR. PRO.* should be invariably written or printed on the cover.

To the British colonies and possessions in West Indies, Canada, Hong Kong, Ceylon, Malta, and Gibraltar, the rates chargeable on Votes and Proceedings are the same as printed books, and to certain other colonies, according to Inland Book-rate.

Inland Book Post.

At the following charges, and on the subjoined conditions, book packets may be sent by the post to any place within the United Kingdom:—

- | | |
|---|-----|
| Weighing not more than four ounces | 1d. |
| „ more than four ounces and not exceeding eight ounces | 2d. |
| „ more than eight ounces and not exceeding sixteen ounces | 4d. |
| „ more than one pound and not exceeding 1½ pounds | 6d. |
- and so on; 2d. being charged for every additional half-pound or any less weight.
- The postage must be prepaid in full, by means of postage stamps affixed outside the packet or its cover.
 - Every packet must be sent either without a cover, or in a cover open at the ends or sides.
 - A book packet may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum (to the exclusion, however, of letters, whether sealed or open). And the books or other publications, prints, maps, &c., may be either printed, written, or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers, in the case of prints or maps; markers (whether of paper or otherwise), in the case of books; and, in short, whatever is necessary for the safe transmission of the packet, or usually appertains thereto, but no patterns or books of patterns can be admitted.
 - A book packet, whatever may be the postage paid thereon, must not contain any *written* letter, closed or open, or any enclosure sealed or otherwise closed against inspection. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter, and may therefore be made.
 - No book packet can be received, if it exceeds two feet in length, width, or depth.
 - Any packet which shall not be open at the ends or sides, or shall have any written letter or any communication of the nature of a letter in it, or upon its cover, is charged with the “unpaid” or double letter postage.
 - If a packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorised enclosure, the letter or enclosure is taken out and forwarded to the address on the packet, charged with the full postage, as an unpaid letter, together with an additional rate of 1d.; and the remainder of the packet, if duly prepaid with stamps, is then forwarded to its address.
 - If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of 1d., it must be forwarded, charged with the deficient book postage, together with an additional rate of 1d.; but any packet which shall bear no postage stamp is charged with the “unpaid” or double letter postage.
 - In every case in which the postage charged upon a packet under these regulations would be greater than the letter rate, the latter postage is substituted.

Colonial Book Post.

At the following charges, and on the same conditions as the foregoing (except that no packet weighing more than three pounds can be sent to the East Indies or to New South Wales, and that no book packet can be sent direct to any other part of the Cape Colony than Cape Town, Port Elizabeth, and Mossel Bay), book packets can be forwarded to every Colony:—

- To India, Ceylon, New South Wales, Victoria, Tasmania (Van Diemen's Land), South Australia, Western Australia, New Zealand, Mauritius, and Hong Kong, the charge is as follows:—
- | | | |
|--|---------|---------|
| Weighing not more than four ounces | 4d. | 6d. |
| „ more than four ounces but not exceeding eight ounces | 8d. | 1s. 0d. |
| „ more than eight ounces but not exceeding one pound | 1s. 4d. | 2s. 0d. |
| „ more than one pound but not exceeding 1½ pound | 2s. 0d. | 3s. 0d. |
- and so on; two rates being charged for every additional half-pound or fraction of a half-pound.

Charges to every other Colony:—

- | | |
|--|---------|
| Weighing not more than four ounces | 3d. |
| „ more than four ounces but not exceeding eight ounces | 6d. |
| „ more than eight ounces but not exceeding one pound | 1s. 0d. |
| „ more than one pound but not exceeding 1½ pound | 1s. 6d. |
- and so on; 6d. being charged for every additional half-pound or fraction of a half-pound.

For a Packet of Books or Printed Papers other than British Newspapers	0 3	0 6	1 0	1 6	2 0

And so on, adding Twopence or Sixpence, as the case may be, for each additional half-pound.

The same rates of Postage must be paid in advance upon Newspapers and other Printed Papers addressed to any of the following countries and places, the correspondence for which is forwarded, as a rule, through France, viz.—Baden, Bavaria, Greece, the Papal States, Switzerland, Syria, Tripoli, Tunis, Turkey and Egypt, and Wurtemberg, *when specially directed to be forwarded "via France."* On the class of Printed Papers, the rate paid in this country will cover the whole charge, either to the extreme frontier of France, or to the port of disembarkation, if they are conveyed from France by one of the French Mediterranean Packets.

Upon Newspapers addressed to the Ionian Islands *specially directed to be sent via France*, and upon Newspapers for Malta, *specially directed to be sent "by French Packet via Marseilles,"* the same rates of Postage must also be paid in advance.

The following is a list of the places in Turkey, Syria, and Egypt, at which France maintains Post-Offices, to all which the above rates apply, viz.:—Alexandria, Jaffa, Beyrout, Tripoli in Syria, Latakia, Alexandretta, Messina, Rhodes, Smyrna, Mitylene, Dardanelles, Gallipoli, and Constantinople.

All Newspapers, to be forwarded at the lower of the two rates mentioned above, must be posted within Fifteen Days from the Date of Publication.

There must be no other writing or marks upon the Newspapers or Printed Papers than the name and address of the person to whom they are sent, nor anything upon the cover but such name and address, the printed title of the papers, and the printed name and address of the publisher or vendor who sends them.

If any of the above regulations be disregarded, or if the whole postage be not paid in advance, the Packets will either be detained, or forwarded charged as unpaid Letters.

Newspapers addressed to the Mediterranean or the East Indies, and intended to be sent in the closed Mails by way of Marseilles, will continue liable to the existing regulations, including the present Rates of Postage.

Sardinia, Tuscany, Spain, Portugal, &c.

Rates of postage (which must be paid in advance) chargeable upon Book Packets, including Newspapers and other printed Papers, addressed to Spain, the Balearic and Canary Islands, Sardinia, Tuscany, Parma, Modena, Venetian Lombardy, and places in the Austrian dominions, when specially addressed *via Sardinia*.—

To Spain, the Balearic or Canary Islands, *bound Books* cannot be sent; neither can Prints, Music, Maps, nor Drawings, unless they form part of any publication included in a packet of printed papers.

Printed papers, such as Periodicals, Sheets of Music, Catalogues, Prospectuses, and Notices of various kinds (*but no bound Books*) may be sent to Portugal, Madeira, Azores, and Cape de Verde Islands by packet or private ship at 1d. per ounce, or if sent *via* France and Spain, 2d. per ounce.

Precautions against Fraud, &c.

The Head Postmaster who first receives a book-packet is required, whenever he has ground for suspecting an infringement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine the packet; and every book-packet which is not open at the ends or sides, or which exceeds two feet in length, width, or depth, or which has any letter or any communication of the nature of a letter written or printed in it or upon its cover, or which does not bear postage stamps equal to a single book-rate, is ordered to be sent up, with as little delay as possible, to the Returned Letter Branch of the Circulation Office in London, Dublin, or Edinburgh, as the case may be; but in the case of any other infringement of the regulations, the packet is dealt with by the Postmaster himself.

To prevent obstacles to the regular transmission of letters, any Head Postmaster may, when necessary, delay forwarding a book-packet for a period not exceeding twenty-four hours beyond the ordinary time; and at Packet Offices the delay may, at the option of the Postmaster, be either for that period, or until the despatch of the mail next after that by which the book-packet ought otherwise to be forwarded.

II.—REGISTRATION.

By the prepayment of a fee of sixpence (which must be made, not in money, but by affixing stamps) any letter, &c., *paying full letter-rate*, may be registered to any place within the United Kingdom. Book-packets and newspapers can also be registered to the colonies. To foreign countries *letters only* can be registered. Every letter to be registered should be presented at the Paid Letter Office, and a receipt obtained for it, and must on no account be dropped into the letter box. If a letter marked "Registered" be put in the letter box, it will be liable to a registration fee of 1s., instead of the ordinary fee of 6d. The registration of a packet makes its transmission more secure, by rendering it practicable to trace it, when inland, from its receipt to its delivery; and when foreign or colonial, if not to its delivery, at least to the port of despatch. The Post-Office does not guarantee the safe delivery of the letter, &c., though the officers are of course responsible to the Postmaster-General, who will call to strict account any one neglecting his duty on this point, and, if his Lordship think proper, will require him to make good any loss that may be sustained thereby.

The latest time for posting registered letters is half-an-hour before the time for posting ordinary letters.

Parliamentary Notices.

Parliamentary notices may be forwarded through the post under the following regulations:—

1. The words "Parliamentary Notice" must be legibly printed on the face of the letter; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such Parliamentary Notice should also be legibly printed or written on the face of the letter; though this latter is not imperative.
2. These notices must be posted either at the General Post-Office, St Martin's-le-Grand, in London; the General Post-Office in Dublin; the General Post-Office in Edinburgh; or at the chief office at one or other of the following towns:—

Aberdeen
Athlone
Belfast
Birmingham
Bristol
Cork

Exeter
Glasgow
Inverness
Leeds
Lincoln

Liverpool
Manchester
Newcastle-upon-Tyne
Norwich
Shrewsbury.

3. All notices which, by the standing orders of either House of Parliament, are required to be served on or before the 15th December, must be posted on or before the 12th December, unless the 12th falls on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same orders, may be served later than the 15th, may be posted after the 12th of that month.
4. The postages chargeable on these notices must be prepaid by stamps; the registration fee of sixpence on each notice being paid in the usual manner.

5. The notices must be posted at the Post-Office window, accompanied with duplicate lists of the addresses; the letters being arranged, for the convenience of comparison, in the order of the list. These lists are examined by the officer in attendance at the window; and if each list correspond with the address, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post-Office, London.

The hours for receiving both Parliamentary Notices and the undermentioned Voting Notices are the same as those for the registry of ordinary letters, unless the Parliamentary Notices be presented at such a time as to interfere with the ordinary duties of the office; in which case the Postmaster may appoint any other time within the next twenty-four hours for receiving the same; providing that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th.

Whoever sends Parliamentary Notices should, if possible, arrange on the day before with the Postmaster as to the most convenient time for posting them, and state the probable number.

Voting Notices.

On prepayment of the postage and of a registration fee of twopence, a notice belonging to any one of the classes enumerated in the Act 6 Vict. c. 18 (relating to votes for members of Parliament) can be sent through the post with the securities for their safe delivery enjoined by law, provided it be brought duly directed, open and in duplicate, to a Postmaster of an office where Money-Orders are issued or paid. On receiving the notice, the Postmaster has to compare it with the duplicate; and if the two agree, the latter will be stamped and returned to the bearer.

Poll-books.

When a poll-book is presented by any returning officer to be forwarded by post, the Postmaster is required to give to such officer an acknowledgment thereof in writing, stating therein the time when he received it.

No registration fee is demanded for poll-books, and prepayment of the postage is optional, without regard to weight.

III.—DELIVERY.

Letter Carriers and Rural Messengers are prohibited, under pain of dismissal, from demanding or receiving any payment beyond the postage on letters, newspapers, &c., which they are required to collect or deliver; or from distributing any letters, newspapers, &c., whether before beginning their rounds, whilst on their rounds, or after they may have completed them, except those which have been regularly posted.

Delivery at Window.

Except where the number of daily deliveries is considerable, and where, therefore, the Surveyor considers such a regulation unnecessary, letters are delivered at the window after the arrival of every mail (within office hours) as soon as they can be sorted. In all cases, however, when there is a corresponding delivery by Letter Carriers, the window delivery (whether to the holders of private boxes or to the public generally) does not begin till the Letter Carriers have left the office, nor is it allowed in any way to delay the departure of the Letter Carriers.

In order to prevent the additional trouble which is sometimes caused by letters being directed to a Post-Office, although for persons residing within a free delivery from such office, but who have no private box, a Postmaster is authorised, when such letters arrive by a mail for which there is a delivery from house to house, to refuse to deliver them at the window, and to send them out by the Letter Carriers, except letters addressed to the military in barracks.

Private Boxes and Bags.

Any person can have a private box who is willing to pay the appointed fee. Where this fee goes to the Revenue, it is fixed at one guinea per annum, to be paid in advance, and for a period of not less than a year; and where it goes to the Postmaster, he may demand the same terms, though he may, at his option, take less. The same also, in most cases, are the terms for a private bag, except that in addition there is the cost of the bag itself, and a charge for conveyance, the maximum of the latter being half-a-guinea per annum if by a foot-messenger, and two guineas if by a mounted one. As the service of a private bag, however, may possibly delay the despatch of a general bag, none must be allowed without the permission of the Surveyor.

IV.—POSTAGE STAMPS.

Every Postmaster is required to have on hand a sufficient stock of postage labels and penny stamped envelopes, and to sell them to the public at the following prices:—

Stamped Labels.

Penny Labels,	.	.	1d. each.	Sixpenny Labels,	.	.	6d. each.
Twopenny do.,	:	:	2d. each.	Shilling do.,	:	:	1s. each.
Fourpenny do.,	.	.	4d. each.				

Stamped Penny Envelopes.

12 to be sold for	.	.	1s. 1½d.	4 to be sold for	.	.	4½d.
8 "	:	:	0s. 9d.	2 "	:	:	2½d.
6 "	.	.	0s. 6½d.	1 "	.	.	1½d.

Every Rural Messenger is authorised to sell postage stamps (including stamped envelopes) at the same prices at which Postmasters are empowered to sell them; and is required, when he begins his round, to have in his possession ready for sale at least five shillings' worth of penny labels.

Stamps.

Prepayment of inland letters, &c., must be by stamps, except at the Chief Post-Office, London. In the prepayment of books stamps only must be used; but prepayment of letters to the colonies or places abroad, and in the case of letters posted in Malta, Gibraltar, Constantinople, the colonies in the West Indies, under the control of the Postmaster-General, may be made either in stamps or money. Except by soldiers and sailors in Her Majesty's service, British postage stamps are not available in the payment of letters, &c., *coming into the country*.

V.—MONEY-ORDERS.

Requisition Forms for Money-Orders are sold at the rate of ten forms for one penny, or of five or any smaller number of forms for a halfpenny.

No order is to contain a fractional part of a penny.

With the subjoined exceptions, no Money-Order can be issued unless the applicant furnish, in full, the surname and one Christian name, both of the remitter (the person who sends the order) and the payee (the person to whom the money is to be paid), together with the remitter's address; and if the name of either party be tendered at greater length, it must be received and advised accordingly.

Particulars required for Money-Orders.

1. If the particulars be furnished in writing (whether by filling up the blanks in the printed form or wholly in manuscript), it will not be necessary to give the Christian name in full; it will be sufficient if the first letter be given.
2. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and if a firm, the usual designation of such firm will suffice, except a company trading under a title which does not consist of the names of the parties composing it, as the "Carron Company," to which kind of company the above privilege does not extend.
3. When the remitter notifies in writing that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee. The issuing officer must in such case cross the order in the way that cheques are commonly crossed when they are to be paid through a bank.

When application is made for a Money-Order payable in London, or any other town where there is a plurality of Money-Order Offices, the remitter should say at which of such offices he wishes it to be paid, otherwise the order can be paid at the Chief Office alone. It is not, however, incumbent on a Postmaster to supply such information relative to local or provincial offices.

An order once issued cannot be cancelled; and should repayment or transfer to a different office or alteration of name be required, the remitter must apply to the Metropolitan Office.

Payment of Money-Orders.

When an order is presented for payment (otherwise than through a bank), the Postmaster has first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter, and if the reply be correct, the order will be paid, unless the Postmaster have good reason for believing that the applicant for payment is neither the rightful claimant, nor deputed by him. When an order is paid through a bank, it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice, or to whether the receipt is given by the payee himself or any other person), and that it be presented (crossed with the name of the receiving bank) by some person known to be in the employment of the bank.

The holder of a Money-Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary Money-Order is dispensed with.

Lapsed and Void Orders.

Money-Orders do not require a receipt stamp.

Payment of an order must be obtained before the end of the second calendar month after that in which it was issued (for instance, if issued in January, it must be paid before the end of March), otherwise the order becomes lapsed, and a new order will be necessary, for which a second commission will be charged. Any person presenting a lapsed order will be furnished with a copy of a printed notice headed "Lapsed Money-Orders," containing directions how to proceed. If the order be not paid before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in January, and not paid before the end of next January), all claim to the money will be lost.

No application can be entertained for compensation for alleged injury from the non-payment of a money-order at the expected time; and after once paying a money-order, by whomsoever presented, the office is not liable to any further claim.

Under no circumstances can payment of an order be demanded on the day of issue; and as respects orders granted at minor offices, time must be allowed for the advice to pass through the Metropolitan Office.

In case of the miscarriage or loss of a money-order, a duplicate is granted on a written application (with the necessary particulars) to the Comptroller of the Money-Order Office of the kingdom where the original order was issued; and by a similar application to the same officer, who (except as regards a temporary power to stop payment) can alone act in such cases, authority can be obtained to transfer the payment of an order from one office to another, or to stop payment, or to correct any error in the name of the remitter or payee, or to repay the money to the remitter. Every such application, however, must contain, in postage stamps, a second commission (namely, threepence for an order not exceeding £2, and sixpence for an order above that sum), though one commission will suffice even when, in the same application, more things than one, relating to the same order, are asked for; as both the stoppage of payment and repayment to the remitter. Unless a sufficient reason be given for an exception, the application must be either from the remitter or payee. Whenever, on complaint being made, it is found that the necessity for an application entailing the payment of a fresh commission is attributable to the Post-Office, the stamps transmitted in payment of the commission will be returned; and when it can be ascertained where the blame lies, the officer in fault will be required to pay the additional commission.

A Postmaster is required to give information how to apply for a duplicate order, &c., and must furnish the applicant with the prescribed form of application. Moreover, if payment of an order is refused in consequence of the replies to the questions respecting the remitter not corresponding with the entries in the advice, or of a difference in the name in the receipt, the Postmaster should advise the applicant for payment to communicate with the remitter, and request him to apply to the Comptroller of the Metropolitan Money-Order Office of the kingdom in which the order was issued, enclosing in his application the additional commission (in postage stamps) chargeable for the alterations required.

No Letter Carrier or other servant of the Post-Office is bound to procure a Money-Order for any person, nor to obtain payment for one, but such services are not forbidden.

No Money-Order business must be transacted on the Sunday; but for the convenience of the labouring classes the office must be kept open on the Saturday night till eight o'clock (or as near that hour as the despatch of the mail will allow), except where the Surveyor shall consider such arrangement unnecessary.

VI.—MISCELLANEOUS RULES.

With the following exceptions, no letter, &c., can be forwarded by the post which is more than two feet in length, breadth, or depth. The exceptions are—

1. Packets to or from places abroad.
2. Packets to or from any of the Government Offices or Departments, or Public Officers.
3. Petitions or addresses to the Queen, whether directed to Her Majesty, or forwarded to any member of either House of Parliament.
4. Petitions to either House of Parliament, forwarded to any member of either House.
5. Printed Parliamentary proceedings.

No information can be given respecting letters which pass through a Post-Office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

Letters must not be returned to Writers.

Postmasters are not authorised to return any letter, &c., to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon; as every letter, &c., must be delivered to the person to whom it is directed, and to him alone.

Late Letters.

Late letters, &c., are received till within five minutes of the despatch of the mails, except in those large towns where the Surveyor may deem an interval of ten minutes necessary, and excepting that no office is to be kept open merely for this purpose after ten o'clock at night.

Prepayment of late Letters.

No late letters, &c., must be forwarded by the mail preparing for despatch unless prepaid, and that in stamps, so as to include both the ordinary postage and the late-letter fee.

Re-directed Letters, &c.

With the subjoined exceptions, every re-directed letter, newspaper, or other postal packet, is liable to an additional postage (at the prepaid rate), unless the re-direction be made by an officer of the Post-Office, and be within the district belonging to the same Head Office. Thus, on a paid or unpaid letter, re-directed by an officer of the Post-Office to any other postal district in the United Kingdom, and weighing not more than half-an-ounce, an additional postage is levied of one penny; or if the weight be more than half-an-ounce but does not exceed an ounce, of twopence; and so on. Upon a book thus re-directed to any other postal district in the United Kingdom, and weighing not more than four ounces, an additional postage of one penny is levied; or if the book weigh more than four ounces but not exceeding eight ounces, an additional postage of twopence; and so on. A registered letter, when re-directed, is not subject to more additional charge than an ordinary letter. Letters addressed to commissioned officers in the army, navy, or ordnance, employed on actual service in any of Her Majesty's colonies, or on any foreign station, may be re-directed to such officers when removed *upon service* (whether at home or abroad), and are delivered to them for the same amount of postage that would have been chargeable had they been delivered at their original address. The same privilege extends to the letters of the soldiers and seamen described in the Table of Colonial and Foreign Postage, except as regards foreign postage, which must be paid.

Every Postmaster is required to have a notice conspicuously placarded, giving information respecting the hours of attendance, the despatch and delivery of letters, &c.

During the time the office is open on Sunday, the public are allowed to prepay foreign or colonial letters, to purchase postage stamps, and to have letters registered; and all other duties as usual, except the issue and payment of Money-Orders, which on that day are wholly suspended.

At no office is there more than one delivery on the Sunday; and any person is at liberty to pre-vent even this, so far as relates to himself, as shewn in the following regulations:—

1. Any person can have his letters, &c., retained in the Post-Office on Sunday, by addressing to the Postmaster a written request, duly signed, to that effect.
2. Such request will be held to include newspapers, and all other postal packets, even such as may be marked "immediate," as no distinction can be allowed.
3. No letters, &c., the non-delivery of which by the Letter Carrier on Sunday has been directed, can be obtained from the Post-Office window on that day.
4. Private box-holders have the option of applying for their letters at the office while it is open for delivery on Sunday, or of abstaining from so doing, as they may think proper, but no person can engage a private box for Sunday only.

5. To prevent the inconvenience and confusion which would arise from frequent changes in these instructions, no request can be entertained unless it extend to a period of at least three months, nor withdrawn, even after the lapse of that time, without a week's notice.

No Postmaster is bound to give change, or is authorised to demand change; and when money is paid at the Post-Office, whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter.

Except as regards foreign and colonial letters about to be prepaid in money, a Postmaster is not bound to weigh any letters or other packets for the public, though he may do so if his duty be not thereby impeded. Postmasters are instructed not to receive any letter, &c., which there is good reason to believe contains anything likely to injure the contents of the mail bag, or the person of any officer of the Post-Office. The following are examples of the articles referred to:—

A glass bottle, or glass in any form; razors, scissors, needles, knives, forks, or other sharp instruments; leeches, game, fish, meat, fruit, or vegetables; bladders or other vessels containing liquids; gunpowder, lucifer matches, or anything explosive or combustible.

By the 1st Victoria, cap. 36, sec. 2, any person illegally conveying letters incurs a penalty of £5 for every offence, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every offence, with full costs of suit.

The following are exceptions from the exclusive privilege of the Post-Office in the conveyance of letters:—

1. Letters sent by a private friend, so as such letters be delivered by such friend to the party to whom they shall be directed :
2. Letters sent by a messenger on purpose, concerning the private affairs of the sender or receiver thereof, commissions or returns thereof, and affidavits and writs, process or proceedings or returns thereof, issuing out of a Court of Justice :
3. Letters sent out of the United Kingdom by a private vessel (not being a packet-boat) :
4. Letters of merchants, owners of vessels of merchandise, or the cargo or loading therein sent by such vessels of merchandise, or by any person employed by such owners for the carriage of such letters, according to their respective directions, and delivered to the respective persons to whom they shall be directed, without paying or receiving reward or profit for the same in anywise :
5. Letters concerning goods or merchandise sent by common carriers to be delivered with the goods which such letters concern, without payment for receiving or delivering such letters.

But the following persons are expressly forbidden to carry a letter, or to receive or deliver a letter, even though they shall not receive payment for the same:—

- a. Common known carriers, their servants or agents, except a letter concerning goods in their carts or waggons, or on their pack-horses; and owners, drivers, or guards of stage-coaches.
- b. Owners, masters, or commanders of ships, vessels, steam-boats, or boats called or being passage or packet-boats, sailing or passing coastwise or otherwise between places within Great Britain or Ireland, or between ports within Her Majesty's dominions or territories out of the United Kingdom, or their servants or agents, except in respect of letters of merchants, owners of ships, or goods on board :
- c. Passengers or other persons on board any such ships, vessels, steam-boats, or passage-boats :
- d. The sailors or others on board a ship or boat passing on a river or navigable canal within the United Kingdom or other Her Majesty's dominions.

Edinburgh Life Assurance Company—continued.

THE following are the advantages given by this Company:—

Nine-tenths of the whole Profits divided among the Assured, without incurring any liability.

The guarantee of a responsible body of Proprietors, either personally or otherwise assured with the Office, affords the most undoubted security to all classes of Assurers, with all the advantages of Mutual Assurance.

In reference to the next Septennial Division of this Office in 1863, the special attention of intending Insurers is requested to the *benefits* which its system of Division (now fully developed by a successful progress of upwards of thirty-seven years), has conferred on its Participating Assured—illustrated in the results of previous Declarations to the old Policy-holders—the best lives.

The following are a few of these claims now, or previously paid, with *Bonuses exceeding one hundred per cent. on the sums originally Assured*:—

Policy No.	Sums Assured.	Bonuses.	Sums Paid.
	£	£ s. d.	£ s. d.
266	300	322 13 0	1122 13 0
691	1000	1733 15 0	2733 15 0
348	200	279 14 0	479 14 0
148	500	637 13 0	1137 13 0
210	500	614 16 0	1114 16 0
44	200	232 18 0	432 18 0
488	1500	1705 17 0	3205 17 0
28	3000	3394 6 0	6394 6 0
647	500	505 3 0	1005 3 0
322	100	122 1 0	222 1 0

Later Entrants have received Bonuses proportionate to their endurance and payments, as illustrated in *Prospectus*.

An *Annual intermediate Bonus* equivalent to Annual Divisions.

The ratio of Division of Profits in this Office never having been lowered, but always somewhat increased at each Declaration, *all New Entrants for Participation* may confidently depend on *receiving the full benefit of the profits from their own contributions*, as well as from all other profits of the Company's business.

Liberal Resolutions as to Policy Conditions give to the Assured every facility consistent with sound principles of business.

Parties requiring Insurance at the *lowest immediate outlay* can effect such object by a scale of Non-participating Insurance *equally moderate and more advantageous than the usual Half-Credit System*.

Twenty-one days allowed for payment of Premiums, after they become due, and in the event of the party dying, *payment within the twenty-one days, by the representatives, is held sufficient for preserving the Policy*.

Policies in this Office no way affected by the Assured serving in Volunteer Corps.

Prospectus, and Printed Forms of the Proposal and Declaration for effecting an Insurance, may be had, gratis, at the Head Office, or from any of the Company's Agents.

No Entrance Money, nor any charge beyond the payment of the Premium, in effecting a Policy.

Very moderate Rates, without Participation, equivalent on Young Lives to an immediate Bonus of considerable amount.

Claims paid three months after proof.

The Standard Life Assurance Company—continued.

DIVISION OF PROFITS.

The Company have divided Profits on Six occasions, when the Policy-holders derived very large benefits.

The next Division will be made as at 15th November 1865. (*See Prospectus.*)

The Directors invite particular attention to the liberal Terms and Conditions of Assurance introduced by this Company into the Practice of Life Assurance.

SELECT ASSURANCES.

The privileges of this class are—Permission to travel and reside in any part of the world, *free of extra Premium*; and the cancellation of all conditions under the Company's Policies, which thus become unchallengeable on any ground whatever, except non-payment of the ordinary premium.

Assurances of five years' standing are admissible to this class.

RENEWAL PREMIUMS AND DAYS OF GRACE.

Under these regulations, Policies of Five Years' standing, with certain exceptions mentioned in the Company's Prospectus, cannot be forfeited unless the ordinary Renewal Premium remains unpaid for 13 months. Thirty days is the regular period allowed for payment, but should the 30 days have been exceeded, the arrears can be paid at any time within 13 months from the date when the Premium fell due, on payment of a fine, without a medical certificate. Should death have taken place within the 30 days or 13 months before the renewal of the risk, the Company hold themselves liable, the arrears, and fines if any, being deducted at settlement. After the expiry of the 13 months the Policy is forfeited, but the surrender value is held at the disposal of the parties interested for five years from the regular date of renewal. The privileges of renewal under Policies of shorter duration than five years are very liberal.

SURRENDER VALUES.

Liberal allowances made for surrender of Assurances under the Profit Scheme, at any time after payment of one Annual Premium.

LOANS.

Advances made on the security of the Company's Policies to the extent of their value, at a moderate rate of interest.

THE Directors invite public attention to the increased benefits secured to Policy-holders in this Office by the resolutions recently adopted by the Proprietors, founded on the experience of the TWENTY-ONE YEARS now completed since the establishment of the Association in 1839. By these resolutions the periods of Investigation have been shortened from SEVEN to FIVE YEARS,—the proportion of PROFIT given to the Assured has been increased to NINE-TENTHS of the whole,—the previous restrictions in regard to the time of PARTICIPATION in PROFITS have been removed,—and other arrangements have been made which secure to every Policy-holder, to the fullest extent and in the most satisfactory way, all substantial benefits actually attainable under the system of Life Assurance. Prospectuses explanatory of the New Arrangements may be had on application.

The INVESTED FUNDS of the Office now amount to upwards of £440,000.

LIFE ASSURANCE.

AMONG the advantages offered by this Corporation are—

1. The Guarantee of an extensive and highly respectable body of Shareholders.
2. An Equitable Division of the Whole Profits among the Assured in the Participation Scheme.
3. The probability afforded by a successful business of a periodically increasing Bonus. And,
4. Policies Indisputable, except on the ground of fraud.

Thus combining the leading features of a Mutual with the stability of a Proprietary Company.

The Annual Revenue of the Company is now upwards of £226,000, and the Invested Funds are upwards of £453,000.

DIVISION OF PROFITS.

The Company having, in the year 1857, completed the fourth quinquennial period of its existence, the Directors, after a careful investigation into the Life Department, resolved to recommend, from the profits of the past five years, a Bonus, present and prospective, to the Policy-holders of the Participating Class, of £1, 7s. 6d. per cent. per annum, on all Policies current at the 31st of January last; and although from the Report of the Committee of Investigation it appeared that a considerably higher Bonus might have been declared, the Meeting resolved to adopt the recommendation of the Directors, and to carry forward the surplus for appropriation at the next declaration of Profits, to take place in 1861.

INSURANCE from Loss or Damage by Fire has been found a measure of great importance to the security of Property and to the happiness of Families. This precaution is seldom neglected by Merchants and Tradesmen, and is equally necessary to Gentlemen, Farmers, and Manufacturers of every kind.

The PHENIX OFFICE was established by a numerous Proprietary in January 1782, upon principles of public utility. The promptitude and cheerfulness with which the most important Losses have been made good by the Company are well known—a large Capital in Government Securities is at all times held in readiness for that purpose.

N.B.—The private fortune of every individual Shareholder in the Company is responsible for its engagements; and no person insured in this Office is liable for the Losses of others, as is the case in Contribution Societies.

LIFE DEPARTMENT.

THE next Declaration of Bonus takes place at 31st January 1862, when Participating Policies, for which Proposals may be lodged on or before 31st January next, will rank for a Bonus of ONE Year.

The Policies, now in course of being issued by this Company, are free from all unnecessary restrictions, and secure every advantage derivable from the system of Life Assurance.

The Premiums are strictly moderate.

The Participation Scheme was begun in 1840, and the oldest Policies for £1000 in connexion with it becoming Claims after payment of the Premiums falling due in the current financial year, are increased to £1296, 13s. 1d.; those for larger or smaller sums being proportionally augmented. Bonus Additions may be surrendered for their value in cash, or an equivalent reduction of future Premiums, the Assured having their choice in all cases.

It is provided by the Company's Act of Incorporation, that Investigations shall take place at intervals not exceeding Five Years, and intermediate Bonuses are allowed when Participating Policies, in force at one Division of Profits, become Claims before another—an arrangement which secures for such cases advantages similar to those claimed for Annual Investigations.

The business in this department has been greatly extended within the last few years.

Prospectuses, with every information, may be had on application.

FIRE DEPARTMENT.

All Losses, so soon as satisfactorily ascertained, are liberally and promptly settled.

Losses arising from explosion of gas are paid by this Company.

Beget leave to call attention to the advantages offered by this Company:—

THE MANCHESTER FIRE ASSURANCE COMPANY was established in 1824, upon principles of public utility, and consists of a numerous and wealthy Proprietary—possessing a large paid-up Capital, which, with the accumulations of profits, offers to insurers the most ample security.

The cheerfulness and promptitude with which important losses have been paid by this Company are well known and admitted, it being at all times the desire of the Directors to settle them with liberality and despatch.

By a system of the most complete classification, the result of each description of risk is ascertained annually; and the rates charged, being founded on an experience of more than **THIRTY** years, are as favourable to the Insured as is consistent with the security of the Company.

No charge made for New Policies. Losses by Fire occasioned by Lightning, and damage caused by explosion of Gas, are made good.

Farming Stock and Implements of Husbandry on a Farm, are exempt from the Insurance Tax or Duty, and are Insured without the Average Clause.

Communications addressed to the Agents will receive immediate attention.

THE SCOTTISH UNION INSURANCE COMPANY was instituted in 1824, and is Incorporated by Royal Charter, and Empowered by Act of Parliament. It is composed of a very numerous, wealthy, and influential body of Proprietors, and affords the most unquestionable security to the Public from the magnitude of its Capital—a large proportion of which is invested in Government and real securities.

FIRE DEPARTMENT.

For Insuring Property against Loss or Damage by Fire.

PROPERTY of almost every description may be assured against accidents arising from FIRE, by the Payment of a small Annual Premium; and Risks involving more than ordinary hazard are moderately rated.

All Losses, when satisfactorily ascertained, are IMMEDIATELY PAID; and the Directors of this Incorporation confidently refer to the liberality and promptitude which have hitherto marked their settlement of claims.

[Continued.]

Scottish Union Fire and Life Insurance Company—continued.

The Progressive Increase of the Company's Fire business is shewn in the following Table of the Duties paid to Government on Insurances, and of the Sums insured on Farming Stock (free of duty), taken from the Parliamentary Returns:—

YEAR.	Amount of Duty Collected, 3s. per £100.	Sum Insured on Farming Stock.
1846	£17,683	£857,194
1849	22,291	1,124,482

1858	28,615	1,701,385
1860	32,001	1,749,310

INSURANCES OF FARMING STOCK.

FARMING STOCK, which includes Hay and all sorts of Corn and other Grain, Implements of Husbandry, and Live Stock, may be insured with this Company, against LOSS by FIRE or LIGHTNING, in one sum on a Farm, and in the Offices, *without any Average Clause*, for a year or for any shorter period. The Thrashing Mill Machinery requires to have a separate value stated thereon.

Losses caused by Lightning to Farming Stock are paid; and no Government Duty is Chargeable on the Insurance of Farming Stock.

AMOUNT INSURED BY SCOTTISH UNION INSURANCE COMPANY ON FARMING STOCK FOR YEAR ENDING CHRISTMAS 1860, **£1,749,310.**

LIFE DEPARTMENT.

Parties about to effect Life Assurances should attend *especially* to the following points:—

I. The CHARACTER of the Company, and the SECURITY offered by it.

II. The RATES of Premium demanded.

III. The BONUS or RETURN of Profits declared upon the Policies.

IN RELATION TO ALL THESE POINTS THE SCOTTISH UNION INSURANCE COMPANY MAY BE FAVOURABLY CONTRASTED WITH SIMILAR INSTITUTIONS, AND THE GREAT AND PROGRESSIVE INCREASE FROM YEAR TO YEAR IN THE NUMBER AND AMOUNT OF THE INSURANCES PROPOSED TO THIS OFFICE, EVINCES IN A SATISFACTORY MANNER THE CHARACTER AND POSITION IT HOLDS IN PUBLIC ESTIMATION.

Bonus Year—1861.

The next investigation into the Life Department and Declaration of Bonus falls to be made as at 1st August 1861, and parties effecting Assurances on the *Profit Scheme* before that date will share in the division.

The Reversionary Bonus may be applied, at the option of the Assured, in any of the following ways:—

1. *It may be added to the Sum Assured; or,*
2. *Applied in Reduction of Future Premiums; or,*
3. *Surrendered for its present value in Cash.*

NON-PARTICIPATING POLICIES.

The low Rates charged in the Non-Participating Class are peculiarly well adapted for Loan Transactions; also, where the object is to assure a specific Sum payable at death, at the lowest Rate of Premium compatible with Security.

COPIES of Prospectus, and all other information may be obtained on application at the Head Office of the Company, 47 GEORGE STREET, EDINBURGH, or at any of the Company's Agents.

LIFE ASSOCIATION OF SCOTLAND,

Founded 1838—Empowered by Royal Charter and Act of Parliament.

The Association has now in operation two Separate Schemes of Assurance.

THE ORIGINAL SCHEME—(Class A),

is expressly based on the principle of reducing the expense of Life Assurance as low as is consistent with permanent security, and offers the following, among other advantages:—

FREEDOM FROM RESTRICTIONS.—The Policies now being issued are unusually free from restrictions (as commonly imposed by other Companies), and confer important privileges. These relate to Non-payment of Premiums—Indisputability—Limits of Residence and Occupation—Military and Naval Service, &c., and afford, in most cases, almost complete protection against forfeiture.

PROFIT SCHEME.—A share of Profits is allocated yearly to every Policy-holder of five years' standing at the preceding annual balance, and is applied so as to reduce the present outlay for his Policy. The allocations to Policy-holders of the First Series (namely, those as yet entitled to Profits), have this year been so much as $37\frac{1}{2}$ per cent. (namely, 7s. 6d. per £1) of the Annual Premiums. **EXAMPLES:—**

Age at Entry.	Annual Premiums for £1000.	Return of Profit by Office.	Premiums thus reduced to
	£ s. d.	£ s. d.	£ s. d.
25	21 18 4	8 4 4	13 14 0
35	28 10 0	10 13 9	17 16 3
45	38 11 8	14 9 4	24 2 4

NEW SCHEME—(Class B.)

UNCONDITIONAL ASSURANCE ON LIFE.

While the Policies of the Original Scheme have for many years been relieved of most of the imperfections which still adhere to Assurance Policies in general, the Association have now met the desire of late manifested in some quarters for a system of Life Assurance *still more simple and unconditional*, and have introduced a Scheme with this special view. It is based on sound principles and precise calculations, and entirely obviates the objections to ordinary systems of Assurance. The leading features of the Scheme are these:—

OMISSION to pay a Premium by oversight does not affect the Assurance, and, after a time, Payment may be intentionally Postponed for a year.

NO RESTRICTION is imposed as to Occupation or Residence.

NO EXTRA PREMIUMS can ever be payable.

The **ASSURANCE** is virtually Non-forfeitable and Unquestionable.

The **POLICY-HOLDER**, on surrendering his Policy, can withdraw a fixed and unusually large proportion of his Payments, or he may in most cases take a paid-up Policy for double the amount; or he may withdraw the same sum as a Loan, and still continue the Policy.

[Continued.]

Life Association of Scotland—continued.

So complete and satisfactory a system of Unconditional Assurance is not to be found in the arrangements of any other Assurance Office. Explanatory Pamphlets may be had on application.

LIFE ASSURANCE.

THE system of the NORTH BRITISH INSURANCE COMPANY combines the benefit of Mutual Assurance with the safety of a large Protecting Capital, and affords all the facilities and advantages which can prudently be offered by any Life Assurance Office.

Progress of the Company.

During the two years *preceding* the last Division of Profits, in December 1858, the sums assured amounted to £654,356.

During the two years *succeeding* the last Division of Profits, the sums assured amounted to £925,562.

DURING THE YEAR 1860 ALONE, 741 NEW POLICIES WERE ISSUED, ASSURING THE SUM OF £475,649.

Advantages offered by this Company.

1. Nine-tenths (90 per cent.) of the Profits, or, in other words, the whole of the Profits arising
[Continued.]

North British Fire and Life Insurance Company—continued.

from the Life Business, after setting aside one-tenth for the guarantee, are divided among the Assured entitled to participate.

2. Bonuses may be added to the sum assured, or surrendered for a cash payment, or applied to the reduction of the future Premiums.

3. A Prospective Bonus of one per cent. per annum is allowed on Policies which have subsisted for five years, which may become claims previous to the next Investigation in 1865.

4. No Extra Charge for residence in British North America, the Cape, Australia (excluding the Diggings), New Zealand, Port Natal, Buenos Ayres, and parts of the United States, and no licence required except for the voyage.

5. On proof of age, and by special application, Policies are declared unchallengeable from and after the expiry of Five Years from their date, and parties, on receiving a licence, may go to any part of the world without incurring the forfeiture of their Policies—thus making the Policies of the Company good marketable securities.

Advances made on Policies, to the extent of the security they afford, when the value amounts to £50 and upwards.

NEW AND IMPORTANT ADVANTAGES.

To meet the exigencies of parties, and to render the benefits of Life Assurance more generally available, the Directors have adopted the following new and important principles:—

1. Application of Profits to the Purchase of an Annuity.

By this system a party not only secures the payment of the sum in the event of his death before 65, but at his option he may convert the Policy with its Bonuses into an equivalent Annuity commencing at 65.

2. Half Premium System.

By which a party may secure all the benefits of the Half Credit System without any debt being incurred.

3. Double Insurance System.

By which, for a moderate uniform Premium, a Policy may be secured, which will increase each year until, in 20 years, the sum in the Policy is doubled. This system is particularly advantageous to young lives.

For further explanation of these new principles, and for the Rates applicable thereto, see the Company's Prospectus.

ANNUITIES.

1. IMMEDIATE ANNUITIES are granted on favourable terms.
2. DEFERRED ANNUITIES, to commence at any specified age, may be secured, either with or without return of Premium.
3. SURVIVORSHIP ANNUITIES may be secured with or without return of Premium.

REVERSIONARY INTERESTS.

The Company are ready either to purchase Reversionary Interests and Life Rents, or to make advances on them to the extent of the security they afford.

FIRE INSURANCE.

The Company INSURES against FIRE—Silk, Cotton, Woollen, and Flax Mills, Buildings of all descriptions, Furniture, Stock in Trade, Merchandise, Agricultural Stock, Implements of Husbandry, and effects of every kind, at the lowest rates of Premium corresponding to the risk.

Farming Stock is Insured without the Average Clause, and loss and damage by Lightning thereon made good.

No charge is made for Policies when the sum insured amounts to £300, or for Transfers from other Offices.

Insurance for seven years charged for six years only.

Losses settled with promptitude and liberality. A duty of 3s. per cent. per annum on all property Insured from Fire in Great Britain and Ireland is payable to Government, with the exception of Farming Stock and Public Hospitals, which are exempt.

The Company holds itself responsible for damage done by explosion of Gas, such explosion taking place within buildings on or in which this Company has insurance, without extra charge.

Prospectuses, containing Tables of Rates and every other information, may be had at the Head Office in Edinburgh, or at any of the Company's Agencies in the country.

THIS COMPANY, which has maintained a large share of the public favour, has for more than half a century done a large and increasing Fire business, to which Branch of business the Company was limited till 1833, when the Life Branch was adopted. Since then three Bonuses have been declared upon the Policies effected, with Participation of Profits under the latter branch, and at each division

Increased Benefits have been Allocated to the Assured.

This is a surer test of the prosperity of a Company than any other, provided the principles of the

investigation of the Company's business when the Bonuses are declared are of a sound character. These, in the case of this Company, have been conducted under the highest authority, and with the strictest accuracy; and it is confidently hoped that at the next investigation further increased benefits will be allocated to the Assured.

The Life Funds are kept quite distinct from those of the Fire Department, while they are almost wholly invested in Government or Landed and Heritable Securities.

The Assured may, without Licence or Extra Premium, pass in time of peace from one part of Europe to another by sea or land, and, upon application, no Extra Premium is charged for voyaging to, or residence in, Australia, Van Dieman's Land, Cape of Good Hope, or America, north of 38 degrees North latitude; but an Extra Premium is charged for working at the Diggings. Moderate Extra Rates are charged for voyaging to, and residence in, other foreign parts.

Policies are made indisputable under certain exceptions after being five years in existence.

VOLUNTEER RIFLE AND ARTILLERY CORPS.

The Assured with this Company, in case of Invasion, falling in the service of their country, will have the full benefit of their Policies.

FIRE DEPARTMENT.

The Company insures Houses, Manufactories, Rents, Furniture, Goods, and Merchandise, Farming Stock, Shipping in Port and Dock, and while Building or used in Navigable Canals, and almost every other description of Property, from loss or damage by Fire, at Moderate Rates.

LOANS granted on Heritable or Landed Securities.

ADVANTAGES.

ECONOMY OF MANAGEMENT.—The expenses of management of the LANCASHIRE INSURANCE COMPANY, are the least in proportion to the Income of any of the fifty-two Companies who have rendered their Accounts to the Registrar-General, under the Joint Stock Companies' Act. (See Pamphlet by R. Christie, Esq., *Scottish Equitable Office, Edinburgh.*)

The great extent of the FIRE BUSINESS of the Company enables the Directors so to apportion the expenses of management, as to charge the Life Department with its proper costs only, thus giving Assurers with THE LANCASHIRE INSURANCE COMPANY, all the real benefits offered by a *Mutual Office*, without any of its drawbacks.

THE RATES OF PREMIUM are extremely moderate, but calculated by an eminent and experienced Actuary, and are ample on First-class Lives to produce a **Large Bonus Fund**, which will be Divisible amongst the Assured in 1863.

MEDICAL FEES.—All Medical Fees and other Charges paid by the Company.

STAMP DUTIES not Charged, and Policies are issued *free of any expense whatever* beyond the Premium.

THE ONLY OFFICE WHICH COMBINES, IN ONE SCALE OF CONTRIBUTIONS, THE BENEFIT OF PARTICIPATION IN THE

WHOLE PROFITS WITH MODERATE PREMIUMS.

THE PREMIUMS, at early and middle ages, are about a fourth lower than in the other Mutual or Participating Offices. They are about as low as the *Non-Participating* rates of the Proprietary Companies—which they admit of being, not only with safety, but with ample reversion of Profits to the Policy-holders, being free from the burden of Dividends to Shareholders.

Examples of Annual Premium to Assure £100 at Death.

Age 25	30	35	40	45	50
£1 18 0	£2 1 6	£2 6 10	£2 14 9	£3 5 9	£4 1 7

Thus, a person of 30 may secure £1000 at death, for a yearly payment of £20, 15s., which, if paid to any of the other Mutual Offices, would secure a Policy for £800 only, instead of £1000.

PROFITS.

The principle on which the PROFITS are divided will commend itself as not only safe and equitable, but as the most satisfactory method on which the Profits arising from Moderate Premiums could be allocated. Instead of being frittered away among all Policies indiscriminately—including those which have subsisted only a few years, and on which there may eventually be a heavy loss to the Common Fund—they are reserved for those Members who alone can have made Surplus Payments; in other words, for those whose Premiums, with accumulated Interest, amount to the sums in their Policies.

THE PRACTICAL WORKING

of the system has been that, at the two Septennial Divisions which have been reported, additions have been made to Policies coming within the Participating Class, varying, according to their value, from 12 or 14 to 70 or 78 per cent. The class of participating contributors now embraces, with few exceptions, all who entered in the earlier years of the Institution, and also many more recent entrants paying a higher rate of premium. In this way, policies originally for £1000, which have shared at the two septennial divisions, have been increased to £1300, £1500, or £1700, and in some instances to £1780.

The ADMINISTRATION has uniformly been conducted with liberality towards the Members (there being in fact no opposing interests), and with readiness to initiate and adopt every available improvement, such as relaxation of restrictions on travel, provision for the indefeasibility of Policies, and facility of settlement of claims.

Reports of the Twenty-third Annual Meeting may be had on application.

THE RIGHT HONOURABLE THE EARL OF ELGIN AND KINCARDINE.

COLONIAL AND FOREIGN ASSURANCES.

THE COLONIAL LIFE ASSURANCE COMPANY was established at Edinburgh in 1846, and introduced new and important features into Life Assurance practice, by publishing rates calculated for Foreign residence, and by establishing Agencies abroad, thus affording increased facilities to persons whose views or occupations might lead them to travel or reside in other countries. By its means, also, the benefits of Life Assurance were extended to India and to the Colonies of Great Britain generally, on such beneficial terms, and under such liberal conditions, as improved knowledge and the circumstances of the times authorised and required.

The progress of the business has been most successful and satisfactory in every respect, and its extent has proved how greatly such an institution was wanted.

THE RATES OF THE COMPANY for Colonial and Foreign residence will be found moderate; and looking to the facilities and advantages afforded by the Company, they may be considered more advantageous, and virtually less expensive, than those of any other Office doing business abroad.

For the purpose of giving increased facilities, also, in the Company's transactions, the Directors have formed Local Boards of Management, and Branch Offices, in India and the Colonies, where Assurances may be effected, Premiums paid, and Claims settled.

HOME ASSURANCE.

THE DIRECTORS OF THE COLONIAL LIFE ASSURANCE COMPANY having directed much attention to the CLASSIFICATION OF RISKS in connexion with LIVES ABROAD, in which they have been most successful, have turned their attention to the CLASSIFICATION OF HOME RISKS, so as to give Professional Men, and settled persons of all classes, whose occupations are not likely to call them beyond the limits of Europe, the advantage and privilege of possessing Policies unfettered by restrictions as to foreign residence, on terms which the absence of such extra risks authorises them to adopt.

The Directors have, in accordance with these views, resolved to grant to Persons resident in this Country, whose occupation, profession, or calling, infers a residence in the United Kingdom, and who declare that they have no intention or prospect of going abroad,

POLICIES WITHOUT ANY RESTRICTION AS TO RESIDENCE.

It is not possible to state exactly the Professions which this Class will embrace, and much will depend on the features and particulars of each case; but the Directors may mention a few Professions and Occupations which the new Class will include:—*Country Gentlemen, Barristers and Advocates, Solicitors, and other Law Agents, Settled Medical Practitioners, Beneficed Clergymen, Manufacturers, Agriculturists, Retail Shopkeepers, and others of like position*; it being a rule, however, that no Policy under this Class shall be issued on the life of any one below the age of 25, unless he shall have settled in life.—The Home Rates of Premium are moderate. For example:—

	Age 25.	Age 35.	Age 45.
With Profits,.....	£2 1 0	£2 13 10	£3 14 2 per cent.
Without Profits,.....	1 17 7	2 9 4	3 7 11 „

DIVISION OF PROFITS.

The First Division of the Company's Profits took place as at 25th May 1854, and the Second at 25th May 1859, when large additions were made to all Policies effected in the Participation Scheme of the Company, as shewn in the following Table, the examples being Policies of £1000:—

Policy opened before	Original Sums Assured.	BONUS.		Total Bonus Additions.	TOTAL.
		Eight Years, 1846 to 1854.	Five Years, 1854 to 1859.

[Continued.]

The Colonial Life Assurance Company—continued.

The additions to Policies of larger or smaller amount are in the same proportion.

Those who do not wish to add the amount of the Bonus to the sum assured, are permitted to take the value of the addition in a present sum, or to apply its value for five years to the reduction of the Annual Premium.

The PRESENT INCOME of the Company is One Hundred and Fifteen Thousand Pounds sterling per annum, and the ACCUMULATED FUND Three Hundred and Eighty Thousand Pounds sterling.

Every information regarding the Company will be furnished on application to any of the Branch Offices or Agencies.

FOUR-FIFTHS of the Profits of this Society will hereafter be allotted at the end of every Five Years, instead of every Seven Years as heretofore, amongst such of the Assured, for the whole term of Life, as shall have been so assured for two years or upwards previous to the date of division.

The following Table, shewing the amount of the Bonus added, will illustrate the general result of this and former Divisions.—

The gross amount of the Reversionary Bonuses added to the several Policies at 31st December 1859 was £697,052.

The next Division of Profits will be made at 31st December 1864.

The Assets of this Society fall little short of £5,000,000. Its Annual Income exceeds £480,000.

At the Divisions of Profits which have already been made, Reversionary Bonuses exceeding £2,945,158 have been added to the several Policies, and such Bonuses are repurchased, either by a Cash Payment, or by way of Reduction of Future Premiums.

The Directors have also power to purchase Policies for a sum payable immediately; or, on surrender of a Policy, to grant a new one for a reversionary sum equivalent in value to the purchase-money of the Policy surrendered; the Assured under such new Policy paying no further Premiums, but participating in the periodical Division of Profits.

Loans are granted on the security of Unencumbered Policies, nearly to the extent of their surrender value. No charge is made for Policy Stamps.

Parties whose Lives are Assured are permitted to reside in any part of Europe, the Azores, or Madeira, and, on payment of a small extra Premium to cover the risk of voyages out and home, to visit and reside in British North America, and the United States of America east of the Mississippi and not south of Washington, or at the Cape of Good Hope, and adjacent parts south of 30° south latitude.

Continued.

Law Life Assurance Society of London—continued.

Assurances made by persons on their own lives who shall die by duelling, or by their own hands, or by the hands of justice, will become void so far as respects such persons, but will remain in force so far as any other person or persons shall have a *bona fide* interest therein. And if any person Assured upon his own life, and who shall have been so Assured for at least five years, shall die by his own hands and not *felo de se*, the Directors are at liberty, if they shall think proper, to pay for the benefit of his family any sum not exceeding what the Society would have paid for the purchase of his interest in the Policy, if it had been surrendered to the Society on the day previous to his decease.

The sums due on the Policies will be paid at the expiration of three months after proof of the requisite facts.

Written notices of the assignment of Policies are received and registered.

Prospectuses, Forms of Proposal, &c., may be obtained on application at the Society's Office, Fleet Street, London, or to the Society's Agents in Scotland.

NEW AND IMPORTANT FEATURE.—This ASSOCIATION (incorporated by Act of Parliament, 7 and 8 Vict., cap. 110) was established for the introduction of a new system by which LIFE ASSURANCE POLICIES, WITH PROFITS, ARE MADE PAYABLE DURING THE LIFETIME OF THE PERSON ASSURED, WITHOUT ANY EXTRA PREMIUM BEING CHARGED; thus rendering a Policy of Assurance not only a provision against early death, but a means of subsistence in old age.

EXAMPLE.—A person aged 25 next birthday, assuring his life for £500, would pay an Annual Premium of £10, 12s. 11d.; should he live and continue his payments until the periodical division of Profits, each time his share thereof would be placed to the credit of his Policy, and be applied to the extinction of his last payments of Premiums, thereby converting the Policy into one payable in his lifetime.

INDISPUTABILITY OF POLICIES.—After having been in force a period of five years, Policies are ABSOLUTELY INDEFEASIBLE and INDISPUTABLE; and all right to question them on any ground whatever after that time is RENOUNCED and DISCHARGED. A Special Clause to this effect is contained in the Deed of Settlement of the Association.

ANNUITIES are granted on liberal and equitable terms, an increased rate being allowed on invalid lives.

No Extra Charge made to Members of Volunteer Corps, for service within the United Kingdom. Every description of Life Assurance effected.

BONUS DECLARED 30th NOVEMBER 1859.

The Affairs of the Association were investigated to this date by Messrs THOMAS WALKER, B.A., and ARTHUR SCRATCHLEY, M.A., Consulting Actuaries, and the Balance in favour of the Association found to be £71,697, 3s. 9d.

The Bonus declared to the Members (averaging nearly £2 per cent per annum on the sums assured) will bear comparison with those declared by the most successful offices.

The principles upon which the Association is based have obtained for it a continuance of its remarkable success, and the Directors refer with pleasure to the following

If the Additions be more, the Policy will be increased; if less, the Policy will be diminished. THE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY is an institution peculiarly adapted for securing family provisions. It is a purely Mutual Assurance Society. The whole Profits are allocated every THREE YEARS amongst Policies of five years' duration. No part is, as in the case of a Proprietary Company, diverted from those who are assured, and paid away to Shareholders; and the additions which have already been made to Policies, afford the clearest evidence of the prosperity of the Institution, and the great advantages derived by its members.

THE TORBANEHILL MINERAL.

IT is a disgrace to Science that any doubt should ever have been thrown, by any scientific man, upon the nature of this substance, now so well known everywhere throughout the civilised globe as 'The Torbanehill Mineral,' with the *alias*, when under disgrace, of 'Boghead Gas Coal.' Nine-tenths, or even a larger majority, of all scientific men, led by those who are at the head of their departments of the various physical sciences, are now quite at one on the subject. The States of the Zollverein, and the Prussian Government, decided, years ago, that the substance in question is *not coal*, and so not liable to customs-duty. And lately, the French authorities also have pronounced the substance to be bituminous schist ('*bitume solide, ou pierre de schiste*'), and therefore able to pass into France free of the duty leviable upon coal. That the base of this mineral is purely a clay, and not, as happens in the case of all coals, preponderating fixed carbon = charcoal or cinder, is a fact now as well known everywhere as any physical fact of the kind can be. It is, moreover, well-known that the mineral substance in question gives 75 per cent. of a valuable tar or oil, capable, by easy purifying and rectifying processes, of yielding a highly valuable, because most economical, illuminating oil, as well as thicker oil, useful for all sorts of lubricating purposes, solid paraffine, and other important products. That on a clay base, equal to one fourth in weight of the substance, there should be superinduced the enormous proportion of three-fourths, or 75 per cent. of oil,—usually called, as it is, 'paraffine oil'—is one of the wonderful facts relating to a mineral which is surrounded by an atmosphere of wonders. The Torbanehill Mineral, in fine, is one of the most astonishing discoveries of the day, in an age of physical discoveries. It must be exceedingly gratifying, therefore, to all the patrons of physical science, and indeed to all lovers of truth, that an opportunity is about to be afforded, for the fullest discussion, by the scientific men of all countries in Christendom, on the nature and peculiar qualities of this celebrated substance. If the physical sciences singly—if all the physical sciences united—be not adequate to tell whether this thing be coal, or oil-clay, what are the physical sciences worth? In fine, the mineral has had much *état al-ready*, and is likely to have still a great deal more celebrity, higher and better. Its fame will be world-wide.

The opportunity alluded to will be afforded by an action which Mr and Mrs Gillespie of Torbanehill have instituted against Messrs Young, Binney, and Meldrum, of the Chemical Works, near Bathgate, and in the immediate vicinity of Torbanehill itself. It is nowise necessary to detail, on the present occasion, many particulars regarding the nature and operation of the law action in question; it may suffice to state, that, whereas Mr and Mrs Gillespie have been injured, and are in course of being injured, to a vast extent, by that Chemical Company's operations, in lowering and keeping down the price of the Torbanehill Mineral in the market, by their alleged patent, Mr and Mrs Gillespie conclude against that company, on this ground (among other grounds), that, whatever Patent, good or bad, they may have applicable to coal, it cannot, with any propriety, or without violation to truth, be held to be applicable to the Torbanehill Mineral, which is not coal at all, but is, in truth, a new mineral, it being indeed 'a new mineral substance, having an argillaceous base, and of so peculiar a nature as to constitute it a new and very peculiar variety of bituminous schist, shale, or clay,' and generally called 'The Torbanehill Mineral.' The scientific world will learn with pleasure the information that so satisfactory an investigation is to be afforded.

All scientific gentlemen, whether Chemists, Microscopists, Mineralogists, or Geologists, as well as all practical men, engaged in any occupation which requires, or may permit, for any purpose, the use of the Torbanehill Mineral,—in whatever country of Europe, or part of North America,—who feel disposed to bear testimony to the truth concerning this substance, by declaring their reasons for holding it *not to be coal*, are requested to send their names, without delay, to Mr Gillespie of Torbanehill, Scotland, (Office, 7 North St David Street, Edinburgh), or to any of his agents in England or Scotland, namely:—

READ THIS AND THINK UPON IT.

REASONS WHY THE PROPRIETORS OF THE

OPERATIVE HAT FACTORY can SELL CHEAPER than any other House in Town:—

1st, We are hard-working men, and live by the sweat of our brow.

2d, We have Commodious Premises at a very Low Rent.

3d, We buy our Material with Ready Money, and Sell for the same.

4th, We make as Good Hats as possibly can be made.

5th, We have been in the employment of the First Manufacturers in the Three Kingdoms, and for the last few years have wrought for Mr McCaskie of Edinburgh, in all of which we held a *first-class position as workmen*.

6th, We do not pretend to sell Hats superior to every one else; but this we honestly, firmly, and fearlessly assert, that we can sell Cheaper than any other shop can do. The reason of this is plain to every unprejudiced mind; owing to our small expense—buying our materials with cash, and getting them up ourselves—we are in a position to feel interested in the honour of our name as Manufacturers, and are enabled to sell them Cheaper than *Gentlemen* who *must* pay very high rents (from £60 to £300)—who *must* pay proportionate taxes and other incidental expenses—who *must* live in a style becoming their position and standing in high society—who *must*, to do all this, impose *enormous profits* upon their Customers. We can, will, and shall avoid all this by adhering to these rules,—hard work, small profits, and a quick return; thus commanding the attention of the Public to the honest and persevering efforts of Working Men.

 *If you want your Hat Well Dressed, give us a trial.*
